Note to the Oklahoma Lion Pin Traders

Hello fellow pin traders, I hope this newsletter and my letter find you in good health and staying that way. I just got back from the Southwest Swap and had a great time. Always enjoy the facilities and Scott always does a great job, Scott I want to thank you for all you do to make the swap work. We were light in numbers as has been the case at Reno and Virginia but a lot of good trading happened and more time to visit than in years past. Thank you to all that made the Swap possible and that showed up to make it a great time.

The LITPC had been reaching out to LCI to see what was going to happen in Montreal and all indications were that it would be a virtual Convention so the Board voted to have an Alternate Site Swap, in fact I got confirmation yesterday that the Convention will in fact be virtual. I hope that Bill will include in this newsletter the flyer for our Alternate Site Swap, it will be June 3rd through June 5th, 2021 in Hebron, Kentucky which is the Cincinnati, Ohio Airport. The Board meeting will be Tuesday June 2nd at 7pm before the start of the pin trading. This is the same location where we held the last Alternate Site Swap about two years ago. I hope to see you all there as I will be the outgoing LITPC President. It has been an interesting two years as president and four prior years as a Vice President but I look forward to having that Immediate Past President designation. Please try to attend, I would appreciate it as a lot of you were there to cheer me on two years ago, please be there to retire me also.

Seems we just keep losing our dear friends in Pin Trading to health issues and the transition to what lies beyond, please keep them all in our thoughts and prayers for them and their families.

Sincerely, Kent Clovis, LITPC President

I hope everyone had a nice Holiday Season and are as glad as I am that 2021 is here. Last year brought many challenges and heartaches.

I was finally able to attend a swap, Virginia, after months of longing for the good old days. Although the swap was different with masks and social distancing, it was still fun to see friends. Unfortunately, it was the last time I would get to see and talk with Tim McCaulley. He will be missed and my prayers are with Lion Lana.

When 2021 did arrive, it brought more sadness as we lost one of our Oklahoma pintraders, Billy Thompson. He was a friend who will be missed. Again my prayers are with his wife, Cloye.

On to more joyous things. We just finished the SW Swap this past weekend and had a good time. It was fun to see more friends that I hadn't seen for a year. It was also a little different because of the masks and social distancing but it looked like everyone had a good time. I will be so glad when everyone can get vaccinated and we can get back to some form of normal.

I am looking forward to swaps in the future. It looks like York and the new Alternate Site Swap will be my next journeys. Hope to see you all in the future.

Lion Scott Corson

OKLPTC Vice President
