Note to the Oklahoma Lion Pin Traders

Hello fellow pin traders, I am just back from the Alternate Site in Hebron, KY and if you were there I hope you had as great a time as I did. If you did not make it you missed a really great time. I had to come back to work just to rest up as I worked my you know what off trying to get all the new pins, there were so many new ones out plus trying to get caught up from all the missed swaps over the past year. It was great to get back and see a lot of traders that some of them I have not seen since this pandemic started. The Pin Traders

family is just a great lot of good friends that we all enjoy catching up with when we have the chance to do so.

I wanted to include this message to once again thank you all that helped to support my term as President of LITPC as this is a great organization. I tried to express this at the Annual Breakfast but I know a lot of friends were not able to make it so I wanted to express one more time my deep gratitude to all my friends in Pin Trading that have become good friends and have given me support when needed throughout this past two years as President and the four years before that as Vice-President. Your support was very much appreciated and felt even if the words were not expressed at the time. I look forward to many more years of friendships going forward. If I somehow said or did something that might have upset any friends I apologize for that as it was not intended and please forgive me.

Again, Thank You from my heart for the great memories and I look forward to trading with you all in the future. I also look forward to serving the Lions of Oklahoma in the future. Thank you to the Oklahoma Lion Pin Traders for all your help with the Campaign 100 pledge for the LITPC, we announced that we had a donation of \$56,512 and presented a big check to PP Frank Mooreill at the Annual Breakfast but it was my understanding that another \$2,000 was raised before we left, the Lions of Oklahoma were a big part of the funds raised,

Thank you! Kent Clovis **IPP**

Howdy, Fellow Lion Pin Traders,

Well it's been a while since we last sent out our Club Newsletter. We've been going through some changes and are now trying to get back to the "New Normal". Having gotten our complete vaccinations earlier in the year it's been a real joy to return to the land of the living. Hope by now you've been able to receive your full Covid shots. We attended the State Convention in Lawton the end of April – first of May and it was good to get back to visiting in person with all our fellow Oklahoma Lions, even if we had to wear our masks. Later in May we joined with other Oklahoma Lions for a Going Away Dinner for our State Secretary, PCC Lion Marvin Ainsworth. He will be greatly missed although he's moving to the Springfield, Missouri area so those of us who attend the Branson Family Pin Swap each August may get to catch up with Lion Marvin there. We are very happy to have Lion Marie Burns as our new State Secretary who will soon be joined by PVCC Lion Sue Thompson as her Administrative Assistant. Our State organization looks to be in very capable hands.

Early in June we had the pleasure of attending the LITPC Alternate Site Pin Swap in Hebron, Kentucky. Not having been to a pin swap for the past year and a half, it was great getting back into the swing of pin trading. More enjoyable was getting to visit with my pin trading friends. It was a busy and jam packed few days but was a happy, fun-filled time. I was glad I was able to be at the Breakfast to celebrate the accomplishments of our own IPP LITPC PCC Lion Kent whose two year term came to a conclusion. It was very unfortunate that his term as President was disrupted by the pandemic but he did an outstanding job and is to be congratulated for soldiering on and serving our organization so admirably. As an example of his leadership, LITPC presented a check to Campaign 100 in the amount of over \$56,500.00 raised by the pin traders during his watch. (See photo elsewhere in this issue)

Thanks Lion Kent!

As you may already be aware, PDG Lion Bill Middleton is currently going through a bit of a rough patch. A few of us are trying to cover the bases during his absence although we're not finding it easy to do so. Lion Scott has really stepped up to serve as our Interim Treasurer until Lion Bill's return. Please remember to keep Lion Bill and PCC Lion Yolanda in your thoughts and prayers and wish them a speedy recovery.

Elsewhere, the State website has changed. It's now www.oklionsfoundation.org and we're pleased that State Secretary Lion Marie has allowed us to place our newsletter on the site. Thanks Lion Marie. A number of Pin Swaps are on the agenda for the coming months so I encourage you to take advantage of those opportunities. The first one up next is the Branson Family Pin Swap and as it is very convenient and lots of fun I hope to see you there. Our own Southwest Pin Swap is set once again for the beginning of the new year so don't delay, get signed up now. And finally, the pandemic has wreaked havoc on our pin swap schedule for the last year and a half. It has forced us to cancel numerous swaps around the country and LCI International conventions. The latest casualty is that the 2022 International Convention set for New Delhi, India has been moved to Montreal, Canada (the original site of this year's convention that was revised to be a Virtual Convention). Before the announcement of the changes for 2022, the decision had already been made to hold an Alternate Site Pin Swap to be hosted by the Pin Trading Club of Virginia from June 1st through June 4th of next year. Watch for details to come.

That's about it for this edition of our newsletter, so until next time take care, stay safe and keep trading those Lions Pins.

PDG Lion Ed, Pres.

Hello, fellow Lions. It is starting to look a little more like normal but not quite there yet. I was sure I could attend swaps again. I missed everyone.

The first swap was the Midwest Swap. There was good attendance with much trading and conversation. You know you miss something when you don't have it but you don't really know how much until you get it back.

The other swap I was able to attend was the Alternate Site Swap in Kentucky. I would like to commend everyone who was involved in pulling the swap in such a short time frame, especially Lion George Lonneman and Lion Steve Sherer. Again, there were many Lions wanting to get back to pin trading in person. It was great to have PIP Lion Frank Moore take time out of his schedule to join us for the Annual Meeting and Breakfast.

Unfortunately, we had a number of Lions that could not make swaps because of health issues. As many of you know, our own Lion Bill Middleton is one of those. He has undergone surgery and with the help of PT, he is doing well. Still has a battle ahead as he starts Radiation and Chemo. The Chemo is scheduled to last for 9 months, so Lions Bill and Yolanda will not be attending swaps for some time.

Bill wants to thank everyone for their prayers and wishes and let everyone know he would love to make trades by mail. I will be trading for Bill at the swaps I attend.

I hope to see many of you in Branson, Reno and Richmond in the upcoming months. Take care and stay safe.

Lion Scott Corson – VP of OKLPTC

As I mentioned in my earlier article, Lion Bill Middleton is fighting health issues. As a result I am the Treasurer this year and would like to invite all of you to join our club again this year. Last year because of Covid-19, we did not have a members pin. We do have a pin for 2022. I am asking everyone who would like to join our club again this year to fill out the application and send it with the dues (\$10). We want to make sure we have your current information. The other thing, if you could let me know any swaps you are planning to attend in the future, we might be able to save a little money in postage charges.
