

It takes more than bricks & mortar to build a vibrant College community – it's supported by the generosity of those who engage with its mission.

Ballarat Christian College Building Fund - spaces & places for learning & community -

Donations to the College's Building Fund are an investment in providing spaces & places that promote strong learning and community: spaces where students learn to think critically, and where they engage with, and understand their place in, God's created world.

Gifts (over \$2) to the Ballarat Christian College Building Fund are tax-deductible, providing a legacy to be enjoyed by future generations. Partner with us in this important work. The impact of each gift will be seen and felt for many years; it's an investment in Christian Education across the Ballarat region.
