## ACCOMMODATION

We can accommodate 37 residents across 36 bedrooms, the majority are single en-suite. All are beautifully furnished to a high standard.

We invite our residents to bring familiar pieces of furniture with them for their new rooms to make them feel at home.

---

## RESIDENTIAL CARE

Residents quickly become part of our extended family and this is helped by developing a comprehensive individual care plan, that is designed to meet any specific preferences and ongoing needs.

This person-centered approach to care means that our residents retain a feeling of control over how they live, by being involved in decisions about their day-to-day life.

---

## DAY & RESPITE CARE

We understand that everyone needs a break from time to time and we can offer both Day or Respite care.

For the individual being cared for, it offers an opportunity to experience new surroundings and meet new friends within a safe environment.

---

## CLOSE CARE

In addition to the care home, a small number of Close Care bungalows nestle within the grounds.

This is an ideal option for the more independent resident and are available on a permanent, short or respite stay basis.

# MEAL TIMES

Mealtimes are a much-loved part of life here. A time to relax, chat, and enjoy good food together.

Our talented catering team prepares delicious, home-cooked meals each day using fresh, quality ingredients. Menus are thoughtfully designed around our residents' preferences, as well as their dietary and nutritional needs.

We love to make mealtimes extra special with themed days, and every birthday is celebrated with a beautifully decorated homemade cake!

---

# ACTIVITIES

We offer our residents a wide range of activities which includes, visits to local areas of interest, musical entertainment, games and other themed events. We also organize activities for family members to join in and be part of the fun.

# COMMUNITY

The Woodland Trust walks and activities we attend are based around the Smithills and Barrow Bridge area and offer wonderful reminisce and exercise experience. The walks are informative as we learn about the ever changing wildlife and landscape.

The Friendship Café at the local bowling club we attend offers a wonderful opportunity for residents to connect with others in the community, share stories, and enjoy good company.
