

# SunBlast LED 2400Watt On Board System

In the world of high-speed image capture, where critical details make all difference, we have utilized our proprietary technology to build the best onboard lighting system possible and provide a single, flexible solution. Used in onboard testing applications, this compact, high-impact light provides brilliant results. The system features:

- Impact durability to 500G
- Up to 2400 watts in remarkably small fixtures
- Consistent 5000 Kelvin daylight color
- Flicker-free to 1,000,000 fps
- Configurable with Luminy's 600 Watt or 1200 Watt SunBlast LED lamps

## Beam Spread

70° wide angle beam spread for all lamps

## Photometrics

### 600 watt head

2.4" H x 4.8" W x 1" D  
0.8 lbs

### 1,200 watt head

4.2" H x 5.3" W x 1" D  
1.8 lbs

### Battery pack

7" H x 5.5" W x 10.8" D  
10 lbs

Two 600W units at 24" distance delivers 100,000lux on pedals
