Message from Pastor Nathan

Baptism is about Being Part of a Household

by Pastor Nathan Baker-Trinity

This article is one of several in a monthly series on baptism. Each article focuses upon a particular theme of baptism and includes questions for reflection.

A commitment to "live among God's faithful people" is the first promise we ask of both parents who bring their children to baptism and Confirmands who affirm their baptism. The church is a household of faith, God's house of living stones, a spiritual family of brothers and sisters in Christ. This is an important time in the life of our congregation. Recent years have brought new and welcome changes to our church: calling a new senior pastor, investing in a new youth and outreach director, hosting new community events, and re-engaging our neighborhood with one of most successful ice cream socials in recent years. All the while we have maintained and improved our building, including more visible signage and enhancing our main entrance on 4th Street with the parking lot project—including a recently completed, large and multi-purpose patio! Most important, though, we have continued to care for one another and welcomed new members to our life together.

Now I invite you to "speak from the heart" about what your faith and this church means to you.

**forward in
FAITH**

This fall, the church council is overseeing a congregation-wide initiative called "Forward in Faith: Mapping our Future

Together." At heart of this process will be a time of deep listening and prayer, both in worship on Sunday. During October and November, you are invited to speak from the heart with a trained listener representing the congregation at a time and place of your convenience.

The goal of this deep listening is to give new focus and fresh energy to our vision and values as a congregation, and to adopt these visions and values at our next Annual Meeting on February 1. As our eyes and ears are opened to what the Holy Spirit is already doing in our

midst, what might be God calling us to do? What are three or four things our congregation does well and that we could focus on for the next few years? And how might changes to our governing documents help facilitate our mission? Following that, we will begin working on realigning and creating structures that work to serve the mission of who God is calling us to be and update our constitution to reflect this. Once this is all in place, we will adopt and live into this new mission, ready to ask ourselves over the next few years, "How are we doing? Is this new mission and structure working for us?"

Any member or friend of the congregation is welcome to meet with a Forward in Faith Listener to talk about what is important to your faith through an in-person, face-to-face conversation. What brings you the most joy in your life right now? Where are you seeing God at work in these days? How has St. Paul Lutheran been a gift to you? All are welcome to share answers to these and other questions as we move ahead with our "Forward in Faith" initiative in October and November.

I believe that God is going to speak to us through these conversations. If you would like to participate, please indicate that on "Count Me In" (on the back of your Welcome to Worship card) or contact Pastor Nathan or President Shelley Jokinen. Our leadership will then assign a listener to meet with you at a convenient time and place such as a coffee shop, restaurant, church, or your home.

Questions for Reflection:

1. Name someone in your church (not a family member or pastor) who inspires your faith. How might you spend more time with this person?
2. If you lived somewhere else away from your family, why or why not would you join a church?
3. What does the church offer that no other organization provides?

4th Street Update

We're so grateful for all the positive feedback on the new retaining wall, patio, and upcoming parking lot project. Thanks to several generous donations totaling over \$80,000, we're now able to move forward with resurfacing the main entrance parking lot which is scheduled for completion this fall by Miller Excavating!

We're currently accepting financial contributions only for the project. Many have already shared great ideas for using the new patio, and we look forward to hearing even more!

Our working group is creating guidelines and recommendations for the patio, including furnishings. The Council will finalize decisions on its use and design next spring.

Camp Onomia – Thank You!

Through the generosity of our members, we were able to contribute approximately \$1,700 to the Camp Onomia Scholarship Fund, helping provide financial assistance for children to attend camp.

This wonderful support came from the sale of three vintage quilts, two new quilts, two silent auction baskets, and a variety of baked goods at the bake sale. Several members also placed winning bids on quilts during the auction, further increasing our contribution. This scholarship fundraiser is held annually in September at Camp Onomia and is open to anyone who would like to make the trip to Onamia for the weekend—or even just for the day. Thank you again for your support!

ELCA Bishop-Elect

The Rev. Yehiel Curry has been elected to a six-year term as presiding bishop of the ELCA. The election took place July 30th during the ELCA Churchwide Assembly in Phoenix, Ariz. Curry, who was elected on the fifth ballot, will be the ELCA's first Black presiding bishop.

Speaking to the assembly after his election, Curry reflected on his membership at Shekinah Chapel in Riverdale, Ill. He eventually became a lay mission developer while he participated in the Theological Education for Emerging Ministries

(TEEM) program, which prepares individuals for ordained ministry in the ELCA with a focus on emerging ministry contexts like ethnic-specific, multicultural, rural, and inner-city settings. He spoke to the assembly about his initial hesitation in accepting that first ministry role.

"Perhaps I'm out there in one of you," Curry said. "I never saw myself as good enough, so for two years, I said no. I finally said yes. When I said yes, your support, this church's support, of that ministry meant everything. So if you want to know what your benevolence dollars look like, it looks like me, and I want to say thank you. Thank you for your investment."

Curry has served as bishop of the ELCA Metropolitan Chicago Synod since 2019. He previously served as mission developer (2009-2012) and pastor (2012-2019) of Shekinah. He received a Bachelor of Arts from Lewis University in Romeoville, Ill., in 1995 and a Master of Divinity from the Lutheran School of Theology at Chicago (LSTC) in 2013. The Bishop-Elect will be installed on Saturday, October 4th, at Central Lutheran Church in Minneapolis.

He Nailed It!!!

On Sunday, October 26th, St. Paul Lutheran Church will participate in the celebration of Reformation Day, commemorating October 31, 1517, when Martin Luther fearlessly published his Ninety-Five Theses, sending one copy to the archbishop and “nailing” another copy on a prominent church door.

Regardless of how Luther's document was attached to the door, it began a reform that remains notable after over five hundred years.

Please plan to attend Worship that Sunday. Invite your friends and neighbors to experience what St Paul Lutheran Church does to remember that day. As always, there will be amazing music, liturgy, and there will be a baptism. **Wearing red on that Sunday is customary** because it is a color associated with commemorating Martin Luther. See You There!

Welcoming One Another

Membership: Welcoming One Another - Are you curious about or interested in church membership? Have you recently joined the church but are unsure about the next steps in feeling more connected? Or are you a long-time member wondering how you can be a part of welcoming those new to our congregation? Join Pastor Nathan for a conversation about these and any other questions you have regarding church membership

on Sundays, October 5th and 12th, at 10:30 AM in the Lounge.

Yarnsters!

Join us for the next Yarnsters meeting on Saturday, October 4, 2025, at 10:00 AM in the Downstairs Conference Room. Whether you love to knit, crochet, or simply “play with yarn,” you’ll fit right in! Beginners are especially welcome—our many experienced teachers are happy to help you get started. All are welcome - come stitch, learn, and share in the fun!

Leadership in the Valley Update

Jenny's next Leadership in the Valley day is coming up on Thursday, October 9, 2025, and the focus will be on Agriculture & Environment!. She's super excited for this session and can't wait to share all that she learns with you!

Lutheran Summer Music

Enrollment is now open for Lutheran Summer Music (LSM) 2026 at St. Olaf College in Northfield! LSM is a faith-based residential music academy for high school students who come together to immerse themselves in musical excellence and build a supportive and fun community.

Musical experiences include large ensembles (band,

choir, orchestra), chamber music, private lessons, and electives like handbells, jazz, musical theatre, composition, conducting, church

music, and more. Go to lsmacademy.org for more information.

Valley Outreach

Join the team at Valley Outreach on Wednesday, October 22nd, for their Fall Mixer with a Mission. This one-of-a-kind fundraiser at Valley Outreach features wine tastings (they will also offer some wonderful nonalcoholic options, too!), savory appetizers, sweet desserts, and hands-on activities that bring our mission to life.

Every ticket and every gift helps fund critical programs that provide food, clothing, and support to families and individuals to move their lives forward. Your presence will make a difference. Please buy

your tickets today - They would love to share this meaningful evening with you!

Details:

- Wednesday, October 22nd
- 5:30 PM to 7:30 PM
- Valley Outreach is located at 1911 Curve Crest Blvd. W., Stillwater
- Tickets are \$100 per person.

Did you know that one of the top needs at the Valley Outreach Food Shelf is spices, seasonings, and condiments? These pantry staples can make a big difference for families preparing meals. Here are some donation ideas: salt and pepper, garlic, cumin, cinnamon, salad dressings, olive oil, and condiments. They also appreciate flavorful additions like hot sauce, soy sauce, and fish sauce!

September 15th to October 15th is Hispanic Heritage Month - Hispanic Heritage Month does not cover one month but begins in the middle of September and ends in the middle of October. Like many other months, it started as a weeklong celebration in 1968 and expanded to a month 20 years later in 1988. The timeframe of this month is significant because many Central American countries celebrate their independence days within these dates.

Operation Christmas Child

Operation Christmas Child has shared that they're receiving only about half the number of shoeboxes compared to past years. Our goal is to fill 259 shoeboxes, and we need your help to make that happen!

We're especially in need of standard-sized shoeboxes so we can keep packing and spreading joy to children across the globe.

Please note: shoeboxes must be no larger than 13" x 7.5" x 4.7".

Not a fan of shopping? No problem! You can still make a meaningful difference by contributing a cash donation to help cover shipping costs.

Mgama Scholarship Fund

How important is the scholarship support St. Paul Lutheran provides to students in Tanzania? The most meaningful answer comes directly from the students themselves. Below is a heartfelt letter we received from some of those whose education has been made possible through your generosity.

Dear SPONSOR

REF: APPLICATION FOR YOUR SPONSORSHIP.

We salute you in the name of Jesus Christ. We say thank you for your support for paying us school fees, which help us to study without disturbance and to be comfortable. It is our prayer that God may give you long life and bless for your jobs, families and all things which you are doing in your life. For your help which you still give us, it helps to reach our dreams. Development of our studies is so good. We believe that our development of our studies is because of your prayers and your support to paying us school fees. In our Parish we are almost six students, two students from one class, one student from two, one student from three and two students from four.

Mgama Scholarship Fund

October is the time for us to look ahead to the new school year in Tanzania, which begins in January. Each year, our congregation has the opportunity to walk alongside the students of the Mgama Parish and Imbulia Parish by helping provide the financial support needed for their education. Without this assistance, many students would not be able to attend school.

We invite you to prayerfully consider making a commitment to support a student this year. Commitments should be made by October 15th, with funds due by November 1st. Every single gift, no matter the size, makes a difference. Even a small contribution can provide vital resources—tuition, supplies, uniforms, and meals—that allow a child to continue their studies with dignity and hope.

The impact of these gifts is far-reaching. Education is the key to success in every country, and your generosity opens doors to brighter futures. Because of the ongoing partnership of the St. Paul Synod, countless students have been able to pursue higher education and careers, becoming teachers, doctors, financial professionals, business owners, and leaders in their communities. The ripple effect of one student receiving an education spreads far beyond a single classroom—it strengthens families, empowers entire villages, and inspires future generations.

Thank you for considering this important ministry. By standing with our brothers and sisters in Tanzania, we not only share resources but also reflect God's love and affirm the truth that we are one family in Christ, no matter where we live.
