Message from Pastor Nathan

Baptism is Working for Justice and Peace
by Pastor Nathan Baker-Trinity

This article is one of several in a monthly series on baptism. Each article focuses upon a particular theme of baptism and includes questions for reflection. The church council is using these articles for their opening devotions, and you are invited to do the same within your family or small group.

A remarkable thing happened to me several years while serving in my second call in central Pennsylvania: A homeless woman literally got out the Yellow Pages (yes, they still existed!) and started calling local churches for help. We were not the first church she called, but we were the first church to help her.

One week later, not only had she received help with first month's rent from my pastoral discretionary account. She also had several other items, all donated by our church: a couple bags of groceries from our food pantry, a couch and a chair, a fridge, a stove, and a small treasure of household essentials.

Such generosity has everything to do with our baptism. The final commitment in our baptismal service calls us to "care for others and the world God made, and work for justice and peace." Although it may have felt spontaneous, such generosity and willingness to help someone you don't even know is cultivated by the Holy Spirit, working among us through the gift of baptism.

Baptism is about working for justice and peace. It's about righting the scales and bridging the gap between rich and poor. It's about giving each other a second, third, fourth, and as many chances as we need to know that God is on our side.

Earlier that summer, several of our youth had attended the ELCA Youth Gathering in Detroit. The leaders of that gathering intentionally chose Detroit as a way to witness and give help to a city with many troubles. Spending a day at a homeless shelter, they inspired me to be generous to those in need regardless of whether They're

"worthy" or not. So it came as no surprise to me that two of those young people were on hand to help move that fridge and stove.

Jesus' command is simple: "Give to everyone who begs from you, and do not refuse anyone who wants to borrow from you." (Matthew 5:42) Sometimes it feels like a burden to be generous. But led by Christ who walks with us, such generosity leads to freedom. The waters of baptism carry us forward. As Paul says in Romans 6:3-5, we have already died with Christ through baptism. And if have died, we have nothing to lose.

Questions for Reflection:

1. What does "justice and peace" mean to you?
2. How does Jesus' definition of justice (quoted from Matthew above) differ from others' views of justice?
3. Recall a time when your generosity felt like freedom.

4th Street Exterior Repair and Refresh Project Update

The new block wall is complete and fully paid for, and work on the cement patio began on August 28th. We're grateful that funding is already in place for this next phase.

The final step will be repaving the asphalt parking lot. Jeff is working with John Miller to update last year's estimate of about \$44,000. At this time, we don't yet have the funds for this phase.

We are truly grateful for the strong support already shown by our congregation and look forward to reaching this final goal together.

Forward In Faith

Recent years have brought new and welcome changes to our church: calling a new senior pastor, investing in a new youth and outreach director, hosting new community events, and re-engaging our neighborhood with one of most successful ice cream socials in recent years. All the while we have maintained and improved our building, including more visible signage and enhancing our main entrance on 4th Street with the parking lot project (with a new patio soon!). Most importantly, we have continued to care for one another and welcomed new members to our life together. So what's next? Stay tuned in the coming weeks as the church council begins sharing about a congregation-wide initiative for this fall that help map our future together.

ELCA Bishop-Elect

The Rev. Yehiel Curry has been elected to a six-year term as presiding bishop of the ELCA. The election took place July 30th during the ELCA Churchwide Assembly in Phoenix, Ariz. Curry, who was elected on the fifth ballot, will be the ELCA's first Black presiding bishop.

Speaking to the assembly after his election, Curry reflected on his membership at Shekinah Chapel in Riverdale, Ill. He eventually became a lay mission developer while he participated in the Theological Education for Emerging Ministries

(TEEM) program, which prepares individuals for ordained ministry in the ELCA with a focus on emerging ministry contexts like ethnic-specific, multicultural, rural, and inner-city settings. He spoke to the assembly about his initial hesitation in accepting that first ministry role.

"Perhaps I'm out there in one of you," Curry said. "I never saw myself as good enough, so for two years, I said no. I finally said yes. When I said yes, your support, this church's support, of that ministry meant everything. So if you want to know what your benevolence dollars look like, it looks like me, and I want to say thank you. Thank you for your investment."

Curry has served as bishop of the ELCA Metropolitan Chicago Synod since 2019. He previously served as mission developer (2009-2012) and pastor (2012-2019) of Shekinah. He received a Bachelor of Arts from Lewis University in Romeoville, Ill., in 1995 and a Master of Divinity from the Lutheran School of Theology at Chicago (LSTC) in 2013. The Bishop-Elect will be installed on Saturday, October 4th, at Central Lutheran Church in Minneapolis.

Guns to Gardens

A Safe Surrender Event – The First Presbyterian Church of Stillwater is hosting this unique event on Saturday afternoon, October 4th. Many people are in possession of unwanted firearms and have no trusted place to discard them without turning them back out into the market. It may be a gun you've inherited, or one used in suicide. It may be a gun where children, grandchildren, or elderly people are in the home. These guns can lead to unintentional shootings or can be stolen and used to hurt others. Dismantling your unwanted gun is the only way you can be sure your gun will not be used for harm. At this free event, you may bring your unloaded firearm(s), stored in the trunk of your vehicle to their church parking lot where a volunteer will remove it for dismantling. The raw materials of the firearm, and then sent to RAWtools to be made into garden tools. Contact First Presbyterian Church for more details. Their office phone number is 651-439-4380.

Ice Cream Social – Thank You!

A deepest thank you to everyone who made this year's Ice Cream Social such a wonderful success! What a beautiful day it was. Your generosity, both in financial support and in the gift of your time and energy, made it all possible. From scooping cones to lending a helping hand wherever needed, your willingness to serve shone brightly.

The weather couldn't have been better, and we enjoyed a fantastic turnout. The afternoon was filled with music, laughter, games, conversation, community, and of course—plenty of ice cream! We truly couldn't have done it without you.

The Homestretch Campaign is the final phase of Simpson's first capital campaign. We're raising critical funds to complete two transformational projects: the Simpson Community Shelter & Apartments and our first program and administrative building.

The campaign also strengthens long-term sustainability so we can continue to ensure everyone has a safe, stable home. The Simpson Community Shelter & Apartments will open in late 2025. So far, we've raised \$45 million. To finish strong, we need \$3.5 million more.

Together, we can create lasting change—where shelter, housing, and dignity live under one roof. Thank you for being with us on this journey.

Thanks to your incredible support, we more than doubled our fundraising total from last July during this year's Summer Challenge grant from Open Your Heart to the Hungry and Homeless! Your generosity is making a real difference in the lives of those we serve. We couldn't have done it without you—thank you!

At Valley Outreach, we are committed to sustainability and reducing our environmental impact. Our latest effort is a plastic recycling partnership with Cub Foods and NexTrex. Eligible plastic materials from our operations and food rescue efforts are collected and dropped off at Cub Foods, where NexTrex handles the recycling process—simple, easy, and effective. In addition, any food that can't be rescued or donated is composted and picked up by local farmers, turning expired food into nutrient-rich soil for nearby farms. Together, these efforts reflect our dedication to protecting the environment while making a positive impact in the communities we serve.

Upcoming Closures for September: September 1, Labor Day – all programs and donations closed; September 11-28 – clothing donations closed; September 22-28 - Style Xchange closed; September 29-30 -All programs and donations closed.

Usher Training Opportunity!

Sunday, September 7, 2025, Before Worship
Helping Hands That Welcome and Serve

At St. Paul Lutheran Church, our ushers play a vital role in creating a welcoming and worshipful environment. From offering a friendly smile at the door to assisting with seating, collecting the offering, and responding to unexpected needs, ushers are often the first point of contact for members and visitors alike. To ensure we are all on the same page, and continuing to offer the best possible experience for our congregation, we will be holding an Usher Training Session on Sunday, September 7, 2025, at 9:00 AM.

This short training will take place in the sanctuary and is open to all current ushers as well as anyone interested in joining the usher team. Whether you've been ushering for years or are just curious about what's involved, we encourage you to attend. We'll review the basic duties and walk through a few important updates. We will also provide a copy of our current Usher Duties that can be referenced as needed throughout the year.

Ushers are more than just door-greeters, they are an important part of our ministry team, helping people feel seen, safe, and cared for as they enter our worship space. Your service helps set the tone for everything that follows!

If you have any questions ahead of time or are unable to attend the training but still want to participate as an usher, please contact Jerry Schlagel so we can make alternative arrangements. Thank you for being a vital part of our worship life at St. Paul!

Operation Christmas Child

Shoebbox Shortage - We Need Your Help!
Operation Christmas Child just informed us that they're receiving only about half the number of shoeboxes they've seen in previous years. Our goal is to fill 259 shoeboxes and we need your help to get there. We're specifically looking for **regular-sized shoebox** donations so we can continue packing and sharing joy with children around the world.

If shopping isn't your thing, no worries! You can still make a big impact by giving a cash donation to help cover shipping costs.

Together, we can help bridge the gap and make sure every child knows they are loved. Thank you for being part of this incredible mission!
