OUR MISSION

Patrons of the Arts in the Vatican Museums

The Patrons of the Arts in the Vatican Museums is a 501c(3) interfaith group that is committed to the restoration, preservation, and increase in artistic patrimony of the collections and buildings of the Vatican Museums, while furthering the understanding and knowledge of its members of these works of art through lectures, meetings and visits to the Vatican.

The Ohio Chapter proudly supports this mission by funding critical restoration projects, educational initiatives, and conservation programs that protect and celebrate humanity's sacred artistic heritage within the walls of the Vatican Museums.

"Preserving the Past to Inspire the Future."
