IMPACTFUL WEBSITES MADE SIMPLE
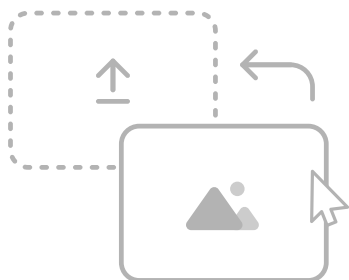

Let us help you create a unique and functional digital home for your community.
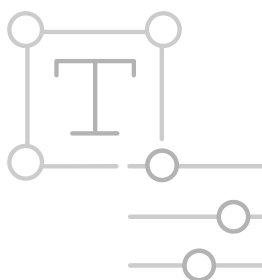

LPi BUILDING COMMUNITY *together*

INTRODUCING THE ALL NEW WECONNECT

Your new superpower to create a unique, informative, and engaging website — in minutes.

DRAG AND DROP

AND EDIT IN SECONDS

YOUR WEBSITE MATTERS. IT'S AN EXTENSION OF YOUR COMMUNITY — WHAT MESSAGE IS IT PRESENTING?

WeConnect and the team at LPi take the headaches out of building and maintaining a powerful website.

MADE FOR YOUR ORGANIZATION

WeConnect is led, designed, and continually improved by our communication and design experts.

SIMPLE

WeConnect is designed for anyone on your team to master digital communication — and it even includes advanced features like code editing to make your web master happy.

POWERFUL

Every page is drag-and-drop, every text area can be instantly changed, your brand can be added quickly, and every package includes unlimited everything — no more limits!

UNIQUE

No two websites will look the same on WeConnect — and new content is added regularly to help you drag-and-drop pre-designed content for events, program updates, and more.

FLEXIBLE

Start with a theme or let us build you a custom website, all in days instead of months. Our designers are standing by!

SUPPORT

We've been helping organizations in print and digital for 50 years, and our support team is just a phone call away to help you tackle any challenge.
