

Resource Links:

- Free Seamless images (Seamless patterns are what you want for wallpaper.)
 - <https://pngtree.com/so/seamless>
 - Look for the free images by hovering over the image.

- <https://www.freepik.com/free-photos-vectors/seamless-pattern>
 - Hover over the image and if there is not a gold crown on the left, click on the download symbol.
 - (Shown highlighted in yellow below.)

- Free trial with great price for the first year. Both Kathy and I subscribe to this clipart source.
 - <https://www.creativefabrica.com>
 - Hover over the image and if there is not a gold crown on the left, click on the download symbol.
- Kathy and I also recommend Etsy. You can find many wonderful collections of seamless patterns and textures at reasonable prices. Many times they are on sale for an even better price. One of the reasons Kathy mentioned Etsy is because, just like some scrapbook pads, you can find coordinated sets that use the same color palette in the various wallpapers.
