Dear Chief Daryl Maretka:

The Insurance Services Office (ISO) recently surveyed your community and submitted a recommendation about your Public Protection Classification (PPC).

Pleak

Current classification: 07/7X

Updated classification: **03/3X**

On June 30, 2026, the State Fire Marshal's Office (SFMO) approves the updated classification that is recommended by ISO.

The SFMO will notify ISO of our approval of their recommendation. The ISO will publish your updated classification on October 1, 2026.

For more information on PPC, visit www.tdi.texas.gov/fire/fmppc.html.

Fire Chiefs are encouraged to register for an account on the ISO Mitigate platform, a new resource designed to support fire service agencies, first responders, and community officials. This tool provides valuable insights to enhance fire protection efforts while streamlining communication and data sharing with ISO. <https://mitigate.iso.com/signup-form>

Please let us know if you have any questions or need more information. You can reach the PPC Oversight Officer, at 512-676-6784 or by email at PPCOversight@tdi.texas.gov.

Sincerely,
