

The DuraFlex console is designed with ultra strong poly components that reinforce all the points where traditional consoles fail. The DuraFlex gives you the efficiency, durability and flexibility you need making it an asset to your company for many years.

DURABLE

Ultra Strong Modular Base

- Protects the door at greatest impact points
- Allows console to slide easily
- Low profile castors can be added for easy movement

190° Nylon Hinges

- Door is out of the way when emptying
- Unlike steel, does not damage the melamine when under pressure

FLEXIBLE

- Hinges, base and hooks available in custom colors so you can brand your business on location
- One key can open every DuraFlex, Shredinator, PDC and shred cart
- Environmentally friendly formaldehyde free version available

EFFICIENT

Nylon Hooks

- Easier to hook and unhook
- Bag fits tight. No paper misses the bag
- Prevents collection employees from being scratched and nicked by metal hooks

Light Weight Design

- Lighter weight and improved strength
- Easy delivery and on-site set-up for collection employees

The DuraFlex is made with 25% recycled content.

190° nylon hinge for unobstructed collection

Nylon bag hooks make bag fit tight

Durable modular base slides easily and supports door

One key solution makes collection quicker
