POLICIES & PROCEDURES

Athlete Safety

All of our staff have an annual background check, concussion training and are USASF credentialed/cleared to train athletes. We are partnered with The Sports Compliance Company. They provide an independent hotline for athletes, families, and staff to confidentially report ethics or misconduct concerns. The hotline number is available 24/7/365 to all our members at 1-800-594-5930. They handle the intake and external investigation of concerns related to athlete safety.

We all must work together as coaches and parents to see that our athletes are able to train in a safe, positive environment. Please note, only athletes and coaches are allowed in the gym at all times.

Communication

Please feel free to talk to your coach about anything; remember to do it at the appropriate time. For example, approaching a coach in the middle of a practice or competition would not be an appropriate time.

Check your emails and the team Group Me regularly. GroupMe, Band and email are all potential means of communication. Problems between athletes/parents will be addressed with all parties at a meeting with your coach and a director. Under no circumstance should the parents present themselves as an official representative of The Stingray Allstars at competitions or any other events.

Attendance

Practices may be changed or added at any time. Submit all vacation requests and absences through the absence request form by October 1st. It is unfair to the team and especially to your child for practices/competitions to be used as a bargaining tool. The Stingray Allstars will make no exceptions to schedules due to co-parenting conflicts. Punishing your child by missing practice or a competition is not acceptable. Homework is not an acceptable excuse for missing practice.

Behavior

Good sportsmanship, polite manners and a good disposition are mandatory at all practices and competitions from parents and athletes. This means NO GOSSIPING about other athletes, teams, coaches and staff, ever. This may lead to restricted access to the parent viewing area. We welcome all appropriate feedback. Bullying is NOT tolerated. Continuous poor behavior could result in team removal. Social Media posts that are a poor representation of The Stingray Allstars may result in suspension or removal from the team.

It is the athlete's responsibility to wear the appropriate practice wear to every practice and competition attire to events. We are not responsible for lost or stolen items. No child should be dropped off at the gym unsupervised or without an active enrollment in a class, private, clinic or practice. Anyone threatening to quit or to pull their child from a team may be dismissed from the program immediately. The Stingray Allstars maintain the right to refuse services at any time.

*The Management Team may change, add or subtract any rule at any time.
