# THE COMMITMENT THE COMMITMENT THE COMMITMENT

## Time Commitment

Please make sure both parents are fully aware of the time commitment to The Stingray Allstars. Teams practice two days a week, May - July. Extra practices will take place for choreography and during competition season. Extra practices will be added throughout the season as needed. Attendance is crucial to a team's success. Punctuality is a MUST. Being late or absent from a competition could result in alternate status or removal. Missing practice could affect an athlete's position on the team. Athletes who miss practice within 2 weeks leading up to a competition may not be able to compete at that event.

Within our program, coaches have autonomy to make decisions in the best interest of their specific team. Each team has different needs and dynamics, so policies may be applied differently. Athletes must be able to physically and mentally perform all aspects of competitive cheerleading. This may require additional privates, classes and conditioning.

We encourage athletes to cheer for their school team. Our expectations are that we will work with your school coach as much as they will work with us.

## Travel Commitment

Competitions are mandatory. The FYNT program will attend 4-6 competitions in addition to showcase performances. The competition schedule will be released in June 2026. Each family is responsible for getting their athlete to and from events.

A parent, guardian, or adult designee must accompany all minor athletes during events. The program does not arrange transportation for athletes and does not assume responsibility for any athlete while attending competitions.

# FINANCIAL INFORMATION

# FYNT STUNT CAMP

Level 1-2: 6/17 – 6/18 OR 6/19 – 6/20

Level 3: 6/19 – 6/20 OR 6/22– 6/23

---

**\*Stunt camp dates subject to change based on number of teams per level**

---

Athletes will attend a mandatory stunt camp as a team to work skill progression, technique, and choreography elements for their routine. In addition to stunts, teams will participate in team and program bonding activities. Should we field a novice team, they will have a modified camp.

Stunt camp is mandatory for all athletes to attend and costs \$120 for prep divisions and \$30 for novice.

You will receive confirmation of your team's stunt camp dates in your team placement email.

# FYNT Competition Schedule

The Full Year Non Travel Program will compete at events local to the Atlanta area. Competition season will begin in December and last through late March. The full competition schedule with dates and locations will be released in June 2026.

## WHAT TO EXPECT:

Teams in the FYNT program will compete in the Novice/Prep divisions, which means they will perform one routine per competition weekend and will be evaluated using the Novice/Prep scoresheet.

The teams will compete against other programs (regional and national competitors) within their specific division. Divisions are categorized in the novice/prep divisions by age, number of athletes, and tumbling/stunt level.

**NEW THIS SEASON!**  
FYNT will attend  
Cheersport  
Nationals in  
Atlanta!

Teams will perform in 3-4 showcase settings, and 4-6 judged competitions. All competition fees are included in the monthly tuition installments. Spectator admission, parking fees and any associated travel costs will vary and are the responsibility of the family.

Full Year Non Travel teams are not eligible and will not attend an end of season event.

# ALTERNATE POSITIONS

Due to the nature of our sport, it is necessary for teams to have alternates.

Teams will take more athletes on their roster than the number eligible to compete. Athletes may be an alternate for the following reasons: injury, skills, attendance, financial, behavior, etc.

## **Alternate Status**

Alternate status may be deemed at any point during the season. Athletes will train and condition with the team as an active member through the summer until choreography is finalized. Alternate status may change throughout the course of the season.

## **Expectations**

Alternates are considered a member of the team and will be held to the same expectations for behavior and commitment. Alternates will be expected to attend all team practices, gatherings, and competitions. Should a position become available in the routine, placement decisions will be made at the discretion of the coaching staff. Alternates may be given an opportunity on other teams based on the needs of the program.

## **Billing**

Alternate athletes that train with the team through the summer will be billed the full monthly tuition installments of \$280 until choreography is set. Once an athlete is no longer active in the routine, the tuition rate will drop to \$100 per athlete, per month while alternate status is maintained. The alternate rate will include a weekly tumble class and competition registration fees. If an athlete is moved from alternate status, back to active status, the tuition rate will be adjusted to reflect full tuition for that month and one month prior.

# POLICIES & PROCEDURES

## **Athlete Safety**

All of our staff have an annual background check, concussion training and are USASF credentialed/cleared to train athletes. We are partnered with The Sports Compliance Company. They provide an independent hotline for athletes, families, and staff to confidentially report ethics or misconduct concerns. The hotline number is available 24/7/365 to all our members at 1-800-594-5930. They handle the intake and external investigation of concerns related to athlete safety.

We all must work together as coaches and parents to see that our athletes are able to train in a safe, positive environment. Please note, only athletes and coaches are allowed in the gym at all times.

## **Communication**

Please feel free to talk to your coach about anything; remember to do it at the appropriate time. For example, approaching a coach in the middle of a practice or competition would not be an appropriate time.

Check your emails and the team Group Me regularly. GroupMe, Band and email are all potential means of communication. Problems between athletes/parents will be addressed with all parties at a meeting with your coach and a director. Under no circumstance should the parents present themselves as an official representative of The Stingray Allstars at competitions or any other events.

## **Attendance**

Practices may be changed or added at any time. Submit all vacation requests and absences through the absence request form by June 1<sup>st</sup>. It is unfair to the team and especially to your child for practices/competitions to be used as a bargaining tool. The Stingray Allstars will make no exceptions to schedules due to co-parenting conflicts. Punishing your child by missing practice or a competition is not acceptable. Homework is not an acceptable excuse for missing practice.

## **Behavior**

Good sportsmanship, polite manners and a good disposition are mandatory at all practices and competitions from parents and athletes. This means NO GOSSIPING about other athletes, teams, coaches and staff, ever. This may lead to restricted access to the parent viewing area. We welcome all appropriate feedback. Bullying is NOT tolerated. Continuous poor behavior could result in team removal. Social Media posts that are a poor representation of The Stingray Allstars may result in suspension or removal from the team.

It is the athlete's responsibility to wear the appropriate practice wear to every practice and competition attire to events. We are not responsible for lost or stolen items. No child should be dropped off at the gym unsupervised or without an active enrollment in a class, private, clinic or practice. Anyone threatening to quit or to pull their child from a team may be dismissed from the program immediately. The Stingray Allstars maintain the right to refuse services at any time.

\*The Management Team may change, add or subtract any rule at any time.

# TEAM PLACEMENT

The FYNT program consists of teams in the novice and prep divisions. Enrollees in the Full Year Non-Travel program are excluded from elite travel (Summit) team consideration.

## DIVISION DIFFERENCES:

Divisions are determined by athlete age, skill level and team size.

**Novice Division:** Introductory level for athletes ages 4 -6 that are new to the sport. Novice focuses on fun, building confidence, and skill development. These teams will have shorter practices to accommodate for the age group. Teams will be given a rating based on their event score instead of numerical placement at competitions. Teams compete routines that are 1 minute and 30 seconds in length.

**Prep Division:** A great bridge between beginner and elite level teams. Possible levels are 1.1, 2.1, 2.2, 3.1 and 3.2 and ages 4-19. Prep focuses on continued skill progression, performance quality, and introducing athletes to more competitive expectations. You can expect moderate commitment and practice time compared to novice and elite levels. Teams compete routines that are 2 minutes in length.

**Elite Division (Summit Program Only):** Highest expectation level of allstar cheer. Eligible to field levels 1 through 6, ages 5-18+. Teams compete routines that are 2 minutes and 30 seconds. Routines are judged on technique and execution across all skill categories at 1 and 2 day events.

The teams and divisions vary based on the athletes that attend tryouts each year. Below are the FYNT teams fielded in the 2025-2026 season.
