

ST. MARY'S  
ON THE HIGHLANDS

**BUILT FOR A PURPOSE**

**Saturday, August 15 / 9:00 AM-4:00 PM / Swan Lake Stables**

**Built for a Purpose is a fun day for boys 3<sup>rd</sup>-8<sup>th</sup> grade to create, sing, be silly, and learn about Jesus.** Through hands-on activities and Biblical teaching, boys learn they are unique masterpieces created by God for His glory and His purposes. Using tools, playing games, and learning new skills are just a few activities that the boys are exposed to throughout the day. Built for a Purpose allows boys learn about Jesus Christ in a way that impacts how they live their lives. They will walk away with tangible reminders of the God who has made them, loves them, has saved them, and desires a relationship with them!

**Built for a Purpose is a unique opportunity for men** to invest in the next generation, to teach them the word of God, and demonstrate the character of God through relationships. **Men and Senior High boys are needed to lead this effort by serving as a leader or helper for building projects, games, cooking, worship, and Bible teaching.**

**Registration for campers** is now open! Follow [THIS LINK](#). Cost is \$60.00.

**Would you like to volunteer as a leader?** Follow [THIS LINK](#).
