Grace Upon Grace: A Season of Faith and Renewal

Barbara C. McMillin
President

Each year as I prepare this President's Report, I am reminded once again that the story of Blue Mountain Christian University is, at its heart, a story of grace. The theme for this year's report—Grace Upon Grace: A Season of Faith and Renewal—captures both the rhythm of our campus life and the testimony of my own experience as I reflect on the past year.

Everywhere I turn, I see grace at work. I see it in the steadfast commitment of our faculty and staff who pour their talents and their hearts into shaping lives. I see it in the perseverance of our students who pursue their callings with courage and faith. I see it in the devotion of alumni and friends whose prayers, encouragement, and generosity sustain our mission. Grace abounds in the laughter that fills our halls, in the quiet moments of worship that unite us, and in the daily miracles that allow this university to thrive.

As president, I am profoundly aware that none of this happens through human effort alone. The progress we celebrate and the milestones we reach are possible only through the providence of God and the partnership of His people. Your faithful support—whether through gifts, prayers, or presence—is a reflection of that divine grace. You remind me continually that God's work at Blue Mountain is both sacred and shared. It is a work of many hearts, knit together by His purpose and His love.

The pages that follow tell this story in many ways—through Grace at Work, Grace in Generosity, Grace in Growth, Grace in Stewardship, Grace in Community, and more. Each article offers a glimpse into how grace continues to shape this campus and to renew the lives of those who call it home. Together, these stories form a beautiful tapestry of faith, gratitude, and hope.

And as we close this year and enter the Christmas season, we are reminded that all grace flows from one incomparable gift—the grace of a Savior born in Bethlehem. In this holy season, we celebrate the miracle of the Word made flesh, the light that entered our darkness, and the unending promise of redemption and renewal. Truly, grace upon grace was revealed when God sent His Son to dwell among us.

From our campus home at Blue Mountain to yours, may this Christmas be a time of peace, joy, and renewed faith. May the grace of the Christ Child fill your heart and home, and may the coming year be rich with His blessings. With heartfelt gratitude and Christmas joy,

Barbara Childers McMillin
Soli Deo Gloria!

Impact Story

Haley Carpenter

A testimony of faith, calling, and the transforming community of Blue Mountain Christian University

Haley Carpenter began her career at Blue Mountain Christian University as a 22-year-old recent college graduate. Six years later, she reflects on how this campus has shaped her life, calling, and faith in profound ways.

“I didn’t earn my degree at BMCU, but this place has shaped me just the same. It has strengthened my faith. It has helped me discover my calling. It has helped me become the woman I am today.”

At BMCU, faith is in the air here. It is woven into daily life. It is not forced or formal—it is lived. It breathes through everyday conversations and quiet moments that become sacred. It appears in prayer whispered in hallways, in encouragement shared between coworkers, and in tender moments with students seeking guidance, comfort, and truth.

“Some of the most meaningful moments I’ve experienced here have come from simply being present with students. We have laughed together, cried together, prayed together, and walked through real-life struggles together. I’ve seen one-hour meetings turn into three because the Lord moved in the room. My colleagues have prayed with me and over me—at my desk, in the hallway, and in moments I never expected. Here, space for honest, Spirit-led connection isn’t just allowed—it’s encouraged.”

Haley describes a campus culture where spiritual well-being is nurtured, where leaders pray with their teams, and where encouragement is not just offered—it is embodied.

“My boss checks in on my spiritual and mental health. I’ve prayed hand-in-hand with our university president. And when someone here says, ‘I’ll pray for you,’ they don’t wait—they pray right then.”

One moment stands above the rest. “I’ll never forget the day I walked forward during Revival. I was nervous, but I knew God was nudging me. As soon as I knelt, hands rested on my shoulders. Students and coworkers surrounded me in prayer. They didn’t see a title—they just saw me. That moment changed me. I walked away knowing I wasn’t just working at a university — I was part of a spiritual community that truly sees, supports, and stands with one another. I felt the Lord reaffirm my calling here in a way I will never forget.”

BMCU has also become part of Haley’s family story. Her mother earned her education degree here. Her sister enrolled after a campus visit with Haley, graduated this spring, and will begin the MBA program this fall.

“Watching this university pour into not only my life—but theirs as well—has been one of the greatest blessings.”

“I’m grateful God placed me at BMCU when He did. The growth, purpose, and relationships I’ve found here will always be part of my story.”

Her story reflects what donor generosity makes possible every single day:

- A place where faith is lived.
- A place where community is real.
- A place where lives are transformed.

Giving becomes grace in motion.

DOUBLE THE IMPACT \$500,000 Matching Gift Challenge

Every gift matched. Every blessing multiplied.

We are thrilled to announce a remarkable opportunity to **multiply the impact of your giving** through a generous \$500,000 Matching Gift Challenge.

Faithful friends of the university have made a transformative commitment of **\$500,000**, not only as a gift to strengthen our mission but also as a challenge to **inspire others to join in supporting our students and the work of the university.**

Here’s how it works:

- Every gift to the university during the month of December will be **matched dollar-for-dollar** until the full \$500,000 challenge is met.

- Matching funds will be directed to the university’s **Unrestricted Fund**, which provides critical flexibility to meet the institution’s most pressing needs—student scholarships, faculty support, campus improvements, and innovative programs that advance our mission.

- Donors may designate their gifts to any area of the university that matters most to them, and their contributions will still **unlock** matching dollars for the Unrestricted Fund.

Your gift—whether to student scholarships, academic programs, athletics, or another area close to your heart—will not only make

Faithful friends have opened the door for every donor to multiply their gift and strengthen the work of training servant leaders for Christ.

an immediate difference where you choose but will also **double its impact** by strengthening the university’s ability to respond to emerging opportunities and challenges.

Together, we can turn this \$500,000 challenge into **\$1 million of impact** for our students and our future.

Join us in meeting this challenge today, and help ensure that the mission and momentum of the university continue to thrive for generations to come.

Make your gift now—and watch it go twice as far!

Equipping hearts to serve Strengthening the Future of Ministry

Supporting those who answer
God's call to ministry

For more than 150 years, Blue Mountain Christian University has equipped men and women to answer God's call to Gospel ministry. Today, that legacy continues through the Blue Mountain Ministerial Collection, a designated fund that directly supports students preparing for full-time Christian service.

Through this generous partnership of churches and individuals across Mississippi, ministerial students receive essential financial assistance as they pursue theological education, practical ministry training, and Christ-centered leadership development.

Campus Growth & Milestones

Groundbreaking: Center for Grace and Healing - A new home for healthcare education and holistic learning

Blue Mountain Christian University (BMCU) officially broke ground on the Center for Grace and Healing, a transformative facility designed to prepare future healthcare professionals. The May 2 ceremony brought together board members, faculty, staff, students, alumni, and community members to celebrate this historic milestone.

Center for Grace and Healing

The Center for Grace and Healing was named to reflect the heart of Blue Mountain Christian University’s mission—uniting knowledge, compassion, and faith in the pursuit of holistic education. The name recognizes that healing is both a scientific practice and a divine act of grace. It speaks to the balance between skill and spirit, intellect and empathy, preparation and purpose.

This name was chosen with students in mind—those preparing to enter the field of healthcare as skilled professionals and faithful servants. Every class taught and every lesson learned within this facility will serve as a reminder that the goal of education extends beyond technical excellence. It is about shaping graduates who embody grace, serve with humility, and bring healing to the world through both their expertise and their witness.

As the new home of BMCU’s School of Nursing, the Center for Grace and Healing will also provide expanded space for the Department of Natural Sciences. The \$15 million facility will include eight classrooms, sixteen offices, simulation and science labs, and a 200-seat lecture hall.

Expanding opportunity through innovation

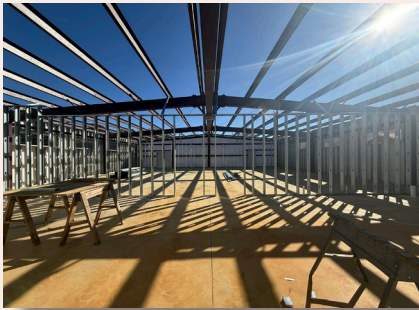

ARC Grant Announcement

Blue Mountain Christian University received an Appalachian Regional Commission (ARC) grant of \$424,000 to support the purchase of advanced technology that will enhance instruction in nursing, biology, and kinesiology.

The initiative provides students with access to cutting-edge resources such as simulation equipment, wearable simulators, and an Anatome Table. These tools expand opportunities for hands-on learning in classroom and clinical settings, helping prepare graduates for the demands of modern health care.

Beyond serving BMCU students, the initiative also creates opportunities for local high schools and healthcare agencies to access the technology for training in STEM and patient care. By equipping both students and professionals with immersive learning experiences, the project strengthens workforce development and promotes improved health outcomes across the region.

School of Nursing / LaPrade Project

The School of Nursing continues to experience remarkable growth and success as it prepares students to serve with skill, compassion, and excellence. Since launching in 2023, the program has celebrated a 100 percent NCLEX-RN pass rate through two consecutive cohorts, a testament to the dedication of both students and faculty.

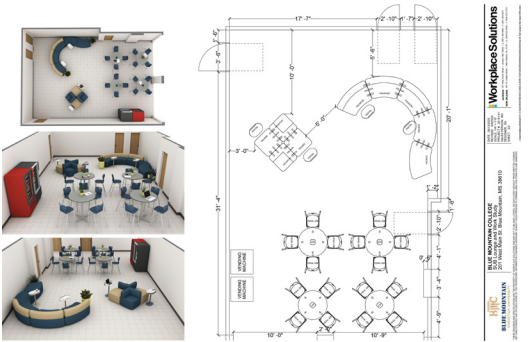

This achievement underscores the university’s commitment to providing rigorous academic preparation and hands-on training for future healthcare professionals. As enrollment in nursing and related fields continues to

increase, BMCU remains focused on expanding classroom and clinical learning opportunities to meet student and industry needs.

Through funding provided by an Accelerate Mississippi Grant, construction is underway at the site of the former LaPrade Grocery & Hardware Co. to create additional nursing classrooms designed for flexibility and collaboration. The new facility will feature two classrooms that can be opened into one larger, versatile instructional space to support a variety of academic and training needs. Complementing the forthcoming Center for Grace and Healing, this project marks another step forward in Blue Mountain Christian University’s ongoing commitment to preparing skilled healthcare professionals and expanding innovative learning environments within the School of Nursing. The project is anticipated to be completed in Spring 2026.

Student Union Building (SUB) Upgrade, Lower-level

The Classes of 1975 and 1976 have taken the lead in supporting the lower-level renovation of the Student Union Building. Their generosity sets the stage for continued progress—an open invitation for other classes to join in enhancing this vital student space.

Celebrating legacy and leadership

Jim Futral Golf Classic

Blue Mountain Christian University hosted the tenth Annual Jim Futral Golf Classic at Tupelo Country Club on Monday, October 6. This annual event honors Dr. Jim Futral, Executive Director-Treasurer emeritus of the Mississippi Baptist Convention and proud BMCU graduate. Proceeds from the tournament support the Jim Futral Endowed Professorship in Biblical Studies and Proclamation at BMCU, ensuring the continued preparation of individuals called to proclaim God’s Word for generations to come.

As each has received a gift, use it to serve one another, as good stewards of God’s varied grace.

Youth Missions & Apologetics Conference (YMAC)

Over 215 students, parents, and church leaders gathered on the Blue Mountain Christian University campus for the 2025 Youth Missions & Apologetics Conference (YMAC), a day designed to challenge participants to spread the gospel abroad and defend it at home.

The March 1 event featured keynote speaker Matt Powell, Senior Pastor of First Baptist Church, Tupelo, and worship led by BMCU’s Exalt Praise Team. Throughout the day, attendees participated in breakout sessions led by pastors, missionaries, and BMCU faculty, including Dr. Thomas Magers II, Rev. Joel Strahan, Stan May, Andrew Bailey, Alyssa Cooper, and Tracy Moser.

Through engaging messages, worship, and practical sessions, students in grades 7–12 were encouraged to deepen their faith, embrace the call to missions, and learn how to articulate and live out the truth of the gospel in today’s world.

A Legacy that Lasts Beyond a Lifetime

Extending impact through planned giving

When you think about Blue Mountain Christian University, perhaps what comes to mind is not just the classrooms and buildings, but the countless lives that have been shaped here. It’s the students who discover their calling, the faculty who pour into them with wisdom and care, and the graduates who go out into the world to serve faithfully. That impact multiplies with every passing year—and it continues to touch lives far beyond campus.

Planned giving is a way to extend that impact beyond your lifetime. By including BMCU in your will, trust, or estate plans, you become part of a legacy that ensures future generations have the same opportunities to learn, grow, and lead.

The Benefits of an Estate Gift

- Enduring Impact: Your gift supports students and programs for years to come.
- Flexibility: You can designate your gift to scholarships, faculty support, or areas of greatest need.
- Stewardship of Resources: Planned gifts can provide tax advantages for you and your heirs.

Why It Matters

Every student who steps onto campus carries untapped potential. With your support, they gain the tools, encouragement, and spiritual foundation needed to live out their calling. Your planned gift ensures the university’s mission continues—equipping graduates who will serve faithfully in their communities and around the world.

Your Story, Their Future

A planned gift is more than a financial arrangement. It’s a declaration of hope. It says: I believe in the power of Christian higher education. I believe in the students yet to come. I want my life’s story to help write theirs.

We invite you to prayerfully consider how you might leave a legacy that reflects your values, blesses your family, and strengthens the future of the university.

Together, we can build a foundation of faith, knowledge, and leadership that will endure for generations.

A Legacy Rooted in Blue Mountain

Remembering Alice Gayle Donnell Guelker

Alice Gayle Donnell Guelker’s story was interwoven with the story of Blue Mountain from the very beginning. Born in the historic Palmer-Donnell House—now part of the university’s campus—Alice’s roots at Blue Mountain ran deep. Her father served as a professor of chemistry, and many of her siblings and ancestors attended the institution, tracing their connection all the way back to its founding in 1873.

As a young woman, Alice attended Blue Mountain College from 1949 to 1953, graduating with the grace, intellect, and Christian character that would define her life. Though her journey took her far beyond the campus, her heart never truly left Blue Mountain. She returned often to visit family and lifelong friends, finding comfort and joy in the familiar rhythm of the small college town.

During her husband Clarence Guelker’s deployment to Korea with the U.S. Army, Alice lived once again in Blue Mountain—this time with their three children—further deepening her lifelong ties to the place that had shaped her faith and values. Throughout their lives, she and Clarence followed the progress of the college with a sense of affection and pride, celebrating its ongoing commitment to Christian education and service.

For Alice, Blue Mountain College was never just a college—it was home. It was the place where her story began, where her faith was nurtured, and where generations of her family found purpose and belonging. Her life reflected the same Christ-centered values that have guided the institution for more than a century.

Today, Blue Mountain Christian University carries forward that same mission—cultivating faith, scholarship, and service in the hearts of students from across the nation and around the world. Alice’s story stands as a lasting reminder that the strength of Blue Mountain rests upon those who believe in its purpose and invest in its future.

Alice Gayle Donnell Guelker’s life was, in many ways, a reflection of Blue Mountain itself—steadfast, faithful, and grounded in grace. Her legacy continues to echo across the generations who now walk the same paths she once did, learning, growing, and preparing to serve in Christ’s name.

Grace that
endures through

Whatever you

And the God of
peace will be

6 Ways to Give

1. Gifts of Cash

Gifts to Blue Mountain Christian University can be made conveniently online or by mail.

Give Online - Online giving allows you to make a one-time or recurring gift using a credit card or by electronic funds transfer (EFT) by securely entering your bank account information. All online gifts are processed safely and securely at bmc.edu/giving.

Give by Mail - Gifts via check may be mailed to BMCU. Please send your check payable to Blue Mountain Christian University and include your gift designation in the memo line.

2. Gifts of Securities

A transfer of securities (stocks or bonds) held long term to Blue Mountain Christian University allows you to make a gift and receive a charitable deduction equal to the full fair market value of the securities. You pay no capital gains tax on your gift and neither does BMCU.

3. Gifts of Real Estate

Donors may own real estate or certain other properties that could also be good choices for charitable gifts. An outright gift of real estate enables the donor to claim an income tax charitable deduction equal to the property's fair market value and removes the property from the estate. This can be done by bequest or during an individual's lifetime. Gifts of appreciated real estate help avoid capital gains and estate taxes.

4. IRA Charitable Rollovers

You can give any amount (up to a maximum of \$105,000) per year from your IRA directly to a qualified charity such as BMCU without having to pay income taxes on the money. Gifts of any value \$105,000 or less are eligible for this benefit and you can feel good knowing that you are making a difference at BMCU. This popular gift option is commonly called the IRA charitable rollover, but you may also see it referred to as a qualified charitable distribution, or QCD for short.

5. Gifts-in-Kind

Donors may supply Blue Mountain Christian University with needed goods, materials and services instead of giving monetarily. To discuss the possibility of such gifts, the donor should contact the Office of the President at 662.685.4771 (Ext. 131).

6. Planned Giving

With a little planning, you can include a gift to BMCU within your overall estate or financial plans that supports our mission and provides you with tax benefits in return. These types of gifts are known as "planned gifts" and they often provide you with two main benefits:

- Your gift is generally deferred until after your lifetime, so your current income isn't affected.
- With many planned gifts, you have the right to change your mind at any time throughout your lifetime, if necessary.
