A Legacy of Faithfulness and Generosity

As I reflect on the past fifteen years at Blue Mountain Christian University, I am filled with a profound sense of gratitude. I have had the extraordinary privilege of witnessing God's faithfulness to this institution, often through the generosity of people who believe deeply in its mission. Again and again, I have been reminded that the story of Blue Mountain is not simply one of institutional growth and progress. It is a story of people whose love for this university and commitment to Christian higher education have made so much possible.

This year's President's Report highlights some of the ways our campus has continued to grow and develop over the past fifteen years. Building upon the strong foundation established by generations of faithful leaders and supporters, new facilities, renovations, and campus improvements have expanded opportunities for our students and strengthened the university's ability to fulfill its mission. Each of these investments reflects the vision, generosity, and shared commitment of individuals who believe in the enduring value of Christ-centered higher education.

Yet the most important story told in these pages is not one of bricks and mortar. It is a story of faithfulness, generosity, and commitment to a mission greater than any one of us.

The true measure of these investments is found not in the buildings themselves, but in what happens within them: students discovering their God-given gifts, faculty challenging young minds to pursue truth, faith and friendships being strengthened, and graduates being prepared to serve Christ and others through their chosen vocations. Buildings will serve generations of students, but the lives shaped within them will be the enduring legacy of those who made them possible.

Throughout its history, Blue Mountain Christian University has remained committed to an education distinguished by academic excellence, intellectual integrity, civility, and Christian character. Even as our campus and programs have expanded, our commitment to Christ-centered higher education has remained steadfast.

This report recognizes those who contributed financially during the fiscal year ending June 30, 2026. To each donor whose name appears in these pages, and to the many others whose generosity has strengthened Blue Mountain through the years, I offer my heartfelt gratitude.

One of the greatest blessings of my years at Blue Mountain has been the opportunity to know so many of you personally, to witness your love for this university, and to see your gifts translated into opportunities that will bless students for generations to come.

As I consider all that God has accomplished through the collective faithfulness of so many, my heart is filled with gratitude and hope. My prayer is that those who follow us will continue to build upon this strong foundation, remembering always that our greatest legacy is not found in what we build, but in the lives we touch for the glory of God.

To God alone be the glory.

With heartfelt gratitude,

Barbara C. McMillin
President

6 Ways to Give

1. Gifts of Cash
Gifts to Blue Mountain Christian University can be made conveniently online or by mail.

Give Online - Online giving allows you to make a one-time or recurring gift using a credit card or by electronic funds transfer (EFT) by securely entering your bank account information. All online gifts are processed safely and securely at bmc.edu/giving.

Give by Mail – Gifts via check may be mailed to BMCU. Please send your check payable to Blue Mountain Christian University and include your gift designation in the memo line.

2. Gifts of Securities
A transfer of securities (stocks or bonds) held long term to Blue Mountain Christian University allows you to make a gift and receive a charitable deduction equal to the full fair market value of the securities. You pay no capital gains tax on your gift and neither does BMCU.

3. Gifts of Real Estate
Donors may own real estate or certain other properties that could also be good choices for charitable gifts. An outright gift of real estate enables the donor to claim an income tax charitable deduction equal to the property's fair market value and removes the property from the estate. This can be done by bequest or during an individual's lifetime. Gifts of appreciated real estate help avoid capital gains and estate taxes.

4. IRA Charitable Rollovers
You can give any amount (up to a maximum of $105,000) per year from your IRA directly to a qualified charity such as BMCU without having to pay income taxes on the money. Gifts of any value $105,000 or less are eligible for this benefit and you can feel good knowing that you are making a difference at BMCU. This popular gift option is commonly called the IRA charitable rollover, but you may also see it referred to as a qualified charitable distribution, or QCD for short.

5. Gifts-in-Kind
Donors may supply Blue Mountain Christian University with needed goods, materials and services instead of giving monetarily. To discuss the possibility of such gifts, the donor should contact the Office of the President at 662.685.4771 (Ext. 131).

6. Planned Giving
With a little planning, you can include a gift to BMCU within your overall estate or financial plans that supports our mission and provides you with tax benefits in return. These types of gifts are known as "planned gifts" and they often provide you with two main benefits:

- Your gift is generally deferred until after your lifetime, so your current income isn't affected.
- With many planned gifts, you have the right to change your mind at any time throughout your lifetime, if necessary.

DONOR RECOGNITION

Blue Mountain Christian University acknowledges the vital role that donors of charitable gifts play in upholding the University's tradition of academic excellence while advancing its mission and vision for the future. Donations – and the donors who give them – sustain the University's educational program by providing support for faculty salaries, student services, endowed scholarship funds, and construction and renovation projects. It is with deep gratitude that the University acknowledges and expresses appreciation to those who have made financial commitments to the institution through the Honor Roll of Donors.

Annual Report and Giving Levels.
All Annual Giving donors are listed in the Honor Roll of Donors in the President's Annual Report unless requested not to do so. Recognitions are based on cash and stock gifts received during the most recently completed Fiscal Year (July 1, 2025 - June 30, 2026). Donors are listed in alphabetical order within the following investor categories: Giving Levels, Other Support Levels, Churches and Religious Organizations, Clubs and Educational Organizations, and Corporations and Foundations. Detailed in separate listings are BMCU Alumni by Class Year and Alumni Chapter, In-Kind Gifts and Services, and Gifts of Tangible Personal Property, which include artworks, books, antiques, musical instruments, furniture, fixtures, and equipment. Contributions to the BMCU Alumni Association, the Baptist Student Union, and individuals paying Alumni Association dues are not included in the listings.

Advised Funds.
Donations through donor-advised funds are recognized as gifts from the foundation or financial entity and will be listed under Corporation and Foundation gifts. The individual responsible for the gift also receives credit for the gift amount, which is included with other donations to the University to determine the individual's giving level.

Commemorative Gifts.
Donors who give in remembrance of deceased family members, friends, or loved ones or who give to honor significant accomplishments or important life occasions of living individuals are listed under the Gifts in Memory or Gifts in Honor sections. Any type of gift can be designated as a memorial or honorary gift.

Matching Gifts.
Donors whose gifts are matched by an employer or other organization are recognized for the full amount of their gift as well as the matching gift generated through their efforts. The company or organization providing the matching gift is also recognized. Matching gifts are credited in the fiscal year in which they are received.

Accuracy of Records.
Although every effort has been made to ensure accuracy in our donor lists, we apologize for any inadvertent errors or omissions it contains. If your records suggest an error has been made in your listing, please contact the Office of Community Relations, Blue Mountain Christian University, P. O. Box 160, Blue Mountain, MS 38610 (Telephone: 662.685.4771 Ext. 177; or Email: cgriffin@bmc.edu).
