Child 1			
First Name	Surname	CRN	Voucher Code
Child 2			
First Name	Surname	CRN	Voucher Code
Child 3			
First Name	Surname	CRN	Voucher Code

I _____ acknowledge that I am the sole representative on-behalf on the child/ren's enrolled and listed on the account at Grays Point Activity Centre (GPAC). I will be the only parent/ guardian claiming the \$500 BASC Voucher for these children and responsible for my account.

I understand if I am not claiming Child Care Subsidy (CCS) at Grays Point Activity Centre that I still need to provide a CRN number for both child and parent.

I also have read, acknowledge and am committed to the below requirements required in claiming, receiving and seeking assistance in the claim to receiving the \$500 BASC Voucher on behalf of my family:

Initial each box below	I agree to the below agreements, but not limited to the below, and agree to any additional requirements set by GPAC Management Committee and staff regarding my Grays Point Activity Centre account
	I am the only representative from the family who will be claiming the BASC Voucher on behalf of the listed children above.
	I have provided Grays Point Activity Centre with the correct Voucher Code for my child/ren above and also emailed through a copy of my \$500 BASC Voucher.

	I am the parent who has their CRN connected to the children listed above and have confirmed enrolment on my MyGov account in regards to the child/ren listed above.
	I understand the Voucher does not cover the costs for incursions, excursions or any additional fees, or those that CCS does not cover, only session fees. It cannot be used to cover the \$50 membership fee.
	I give permission for Grays Point Activity Centre to disclose my child's enrolment details in relation to the guidelines of what is entailed in submitting attendance records and reconciling the Voucher.
	All above information listed can be disclosed by Grays Point Activity Centre to any external enterprises (including but not limited to Service NSW and NSW Department of Education) in seeking assistance in regard to the BASC voucher on behalf of your family or Grays Point Activity Centre.
	I understand that the Department of Education, Centrelink, Service NSW and GPAC may be impacted by changes to this Voucher program. This includes ensuring my account is always up to date.
	I understand that if there is a delay with the Voucher payment I will need to pay for my GPAC BASC/ Vacation Care account upfront, then in turn once GPAC receives the voucher payment, my account will then receive a credit for the care.
	I understand my child's attendances will be submitted through the external portal required by Service NSW and Department of Education in claiming the \$500 BASC Voucher. I acknowledge the Voucher is not valid immediately and that GPAC will need to submit attendances each fortnight following my child's physical booking session. This means my BASC and Vacation Care accounts must be paid in advance to receiving the BASC Voucher.
