PRINCIPAL'S MESSAGE

Each year, our school participates in the Department of Education's Parent/Caregiver/Guardian Opinion Survey. This survey provides you with a vital opportunity to share your perspectives on our school climate, student behaviour, and student engagement. Your honest feedback helps us understand your experiences, identify areas for improvement, and shape our school's planning and professional development.

SCHOOL OPINION SURVEY

The survey is now open for parents, caregivers, and guardians to complete between **Monday 18 August and Friday 19 September**. Each campus will be sending out invitations at their earliest convenience.

The survey is online and can be accessed on any computer, tablet, or smartphone. It takes around **20 minutes** to complete. If you don't own any of these devices, feel free to make contact with your campus office and we will arrange a device for you to complete at school.

Your feedback is completely confidential. Schools use anonymous survey results to:

- Identify what is working well, and what could be improved.
- Target Planning, improvement strategies, and professional development.
- Set goals and inform strategic plans for the future

2026 is our school review year, so the feedback this year is really important for us to use in the review year.

Your voice helps us provide the best possible outcomes for your child and every student at our school. The feedback we receive from the Parent Opinion Survey was central to designing our school's four-year Strategic Plan 4 years ago. With your help, we can continue to make our school a welcoming, safe, and successful place of learning for all children.

Look out for an email from your campus office (via compass) with your survey link. Completing the survey is simple, quick, and your responses will make a real difference.

Thank you for being involved and helping shape the future of our school community!

Regards

Corey Pohlner

YEAR 2 SLEEPOVER

The Year 2 students are getting very excited about the 'Year 2 Sleepover' on Thursday the 11th of September! All the students in Year 2 from each campus of Woody Yaloak are invited to have a sleepover at the Scarsdale campus, commencing at 7:00pm on Thursday evening. The students will remain at Scarsdale on Friday to enjoy some activities with students from other campuses.

The students will need to be dropped off at the Scarsdale Campus at 7pm on Thursday evening, already wearing their pyjamas, having had baths/showers and eaten tea/dinner at home. Parents can help them set up their beds before leaving them for the night.

Students are to be collected from Scarsdale at 2:30pm on the Friday 12th of September. This is a great introduction to the Middle School camping program students will be involved in next year and a good opportunity to meet and build friendships with other students their age from all four campuses. A note will come out this week with important information about the event. If you have any further questions, please contact Leisa Stewart on 53428565, or see your child's teacher at your campus.

Further information including cost and consent has been sent to families via Compass today.
