TOURNAMENT FORMAT & RULES

- 1). All bowlers will be assigned an Entering Average with handicap per game as described on reverse side.
 - 2). This is a Modified House Shot Singles Tournament. Each “match-score” is your scratch game plus assigned handicap. The oil pattern used for this tournament is called Kegel Carbon.
 - 3). Tournament Format:
 - a) Bowlers will bowl 3 games across 3 pairs of lanes moving 1 pair to the right after each game. You will receive 10 minutes of practice on your starting pair only.
 - b) The **Top 7 Highest Series Totals with handicap** will now move on to the Match Play Round.
 - c) Match Play Round: Each bowler will be seeded based on their series totals. This will be a 1-game head-to-head match. Match-ups will be set as follows: 2 vs. 7, 3 vs. 6, 4 vs. 5 with the Tournament Qualifying leader receiving an automatic BYE from this round.
 - d) Stepladder Finals: The 3 winners from above plus the Qualifying Leader will move on to a 4-person Stepladder Finals. Each bowler will now be re-seeded based their respective seeding in the Match Play Round above. The 4th Seed will bowl the 3rd Seed in a 1-game head-to-head match. The winner of this match will then move on to bowl the 2nd Seed. The winner of that match will now bowl the Tournament Qualifying Leader in a 1-game head-to-head Championship Match. The Winner of this match will be declared the Night Warriors Champion and will receive 1st Place Prize.
 - 4). Scoring Ties:
 - a) Qualifying Round: All ties amongst the Top 7 after qualifying will be broken in an 8th, 9th & 10th Frame roll-off to determine seeding. A 3-Frame handicap percentage will be used and added to the final scratch scores. Tournament Director will determine the pair used. All other ties will not be broken and prize money will be split evenly amongst all bowlers if within the prize payout ranking.
 - b) Match Play & Stepladder Finals: Any tie in head-to-head match play will be broken with a single-ball roll-off where highest pin fall wins. Bowler's will start on the lane they finished and will alternate lanes until the tie is broken and a winner is declared.
 - 5). Prize Money Payouts:
 - a) The Top 4 will receive a guaranteed payout with the bare minimum of **29 paid entries**. A prize ratio of 1x4 will be used for any additional ranking payout.

Top 4 Payout = 1) \$405 2) \$200 3) \$150 4) \$100
 - b) Amounts for the Top 4 may be adjusted and weighted if the field consists of more than 40 paid entries.
MAX FIELD SIZE = 75 BOWLERS (5 per pair if utilizing the whole house)
 - 6). Scratch Division Sweeper Event:
 - a) Bowlers will be given the option to participate in a separate Scratch Division Sweeper for additional prize money. Scratch bowlers who enter will use their 3-game total Qualifying Round scores for final placement standings.
 - b) All scratch division bowlers **MUST and WILL** be competing in the handicap tournament; thus creating the ability to cash in both divisions.
 - c) Prize Money Payouts are based solely on the number of scratch entries with a going prize ratio of 1x4. There will be no additional finals for the Scratch Sweeper event.
 - 7). USBC Rules 319a-2, 319d, 319e will be waived for this tournament. Anything not governed by tournament rules above will be governed by the USBC Rule book including all USBC General Playing Rules. This is a USBC Certified Tournament.
