

Amherst ISD “Proposed” Student Personal Device Guidelines

In accordance with House Bill 1481, Amherst ISD has implemented a district-wide policy that prohibits students from using personal communication devices while on school property during the school day. This includes all instructional time, lunch, and hallway passing periods. The policy is designed to minimize distractions and support a focused learning environment. Disciplinary measures will be enforced for violations, and devices may be confiscated if used inappropriately. Unless approved under an IEP, 504 plan, or medical need, all personal communication devices ***must be left in student’s vehicle or at home*** during the school day.

Personal communication devices include, but are not limited to,

- Cell Phones (smartphones or flip phones)
- Apple Watches/Smartwatches
- Tablets
- Radios
- Pagers
- Personal Laptops
- AI Glasses
- Any other device capable of telecommunication or digital communication

This law does not apply to school-issued devices.

**** NOTE: The law does provide exceptions for students with documented medical needs, special education accommodations, or 504.****

Unless approved under an IEP, 504 plan, or medical need, all personal communication devices must be left in student’s vehicle or at home during the school day.
