

Montrose Soccer Club

Sponsorship Form

Dear Friend of Soccer,

Thank you for your interest in becoming a Montrose Avalanche Soccer Club Sponsor. The sponsorship program allows the Montrose Soccer Club to expand and increase the quality of our soccer club. Sponsorship funds will be used to improve the level of coaching in the club. We hope to not only attract coaches with soccer expertise but to provide training opportunities for existing coaches. In addition, these funds will help us to provide scholarships for kids that should be playing competitive soccer but cannot afford the registration fees required. Sponsors can help us accomplish these goals by providing support.

Thank you for helping our youth soccer players and helping to improve the quality of our programs.
