Lector Procedures

- Arrive 25 minutes before mass to review the readings, maintaining reverence in The Sacristy. Verify with the sacristan that the microphone is turned ON and Bring the Lectionary to The Ambo.
- The Backup Lector should checkin with the sacristan to let them know you are present in case the main lector is not able to be present. If the main Lector is unable to be present, please call your backup the day before and let them know.
- **Dress**: **men** - dress pants and tie; **women** - no short dresses or low necklines.
- Lectors sit with in the congregation.
- At the conclusion of the opening prayer proceed to the bottom of the steps and remove your mask, maintaining prayerful movement. At the top of the steps, **Bow your head respectfully in a stopped motion, not in a continuous motion**, and turn to proceed to The Ambo for your first reading. Proper stance shows both feet flat on the ambo platform.
- **Before saying, "The Word of The Lord," there is a 3 second PAUSE**. After the congregation responds, "thanks be to God," **there is another 3 second PAUSE.** Then proceed to the pew next to The Ambo.
- After the Responsorial Psalm, after The Cantor has returned to their seat, proceed to The Ambo for the 2nd reading. After The Second PAUSE, close The Lectionary and place it on the ledge to The Left of The Ambo. Proceed to the top of the steps, **face The Altar, bow your head respectfully in a stopped motion**, then proceed to your seat with the congregation.
- At the end of The Mass, please carry The Lectionary to The Sacristy.

Father Bobby and AJ, give their blessings to all lectors and say that your *"generosity of talent and willingness to assist at worship is commendable."*
