**ANNUAL CHARITY GOLF TOURNAMENT**

The ARC of the Treasure Coast, formerly known as the ARC of Martin County and the Arc of St. Lucie County have merged. ARC of the Treasure Coast is a 501(c)(3) charitable organization dedicated to assisting and supporting children and adults with intellectual and developmental disabilities achieve their fullest potential through residential, vocational, educational, behavioral, and other related healthcare services.

**YOU'RE INVITED!**

With the recent merger now completed, our primary initiative is expanding and enhancing programs to unserved/underserved areas throughout the Treasure Coast region. Many families cannot access vital day programs or afterschool programs, so funds raised through this event will include opening a new educational program for youth and young adults with Intellectual and Developmental Disabilities (I/DD) known as the Therapeutic Intervention Program (TIP). These services will be provided in partnership between The Agency for Persons with Disabilities, Indian River State College, Keiser University, the Department of Education and Department of Vocational Rehabilitation.

Participants in the TIP program exhibit various challenging behaviors and are unable to participate in mainstream classrooms and day programs. Funds raised will be used to build a specialized therapeutic environment that applies an interdisciplinary team approach across the professional expertise of the ARC staff and our community partners. Participants in the TIP program can exhibit significant behavioral issues, requiring highly structured, consistent redirection and behaviorally based intensive intervention. TIP is a unique collaboration encompassing six professional disciplines, (behavioral, physical, occupational, speech, recreation, and music therapies), providing intense and direct treatment services for people with I/DD and autism. ARC of the Treasure Coast is committed to building this specialized sensory intervention program that will provide access to critical programs for many local families. We thank you for your support!
