

newline

All Stars

Elara is the eighth largest moon of Jupiter. And with a size of only 2% of Europe, the smallest of the four Galilean moons.

THE MOST EFFICIENT COLLABORATION

Elara Elite, the next evolution of Newline's premium interactive displays, raises the bar in performance, design and professional integration. Google EDLA certified, it delivers a seamless experience fully integrated with Google Apps and services. With ultra-responsive touch, immersive audio, NFC login and hybrid UC capabilities, Elara Elite redefines collaboration in high-demand environments. Designed for advanced corporate, educational and professional AV spaces, this model also offers compatibility with leading control and automation platforms, including AMX, Q-SYS and Extron.

MODULAR SYSTEM

Elevate your experience with our universe of solutions. Customise your display with Newlines' accessories. Mix and match to create the perfect fit.

NEWLINE INTERACTIVE ECOSYSTEM

The Newline Interactive Ecosystem enhances productivity with versatile tools that seamlessly integrate with any software or device, meeting all classroom needs.
