

Rebecca and The Number TEN

‘Rebekah’ in Hebrew is ‘Rebecca’ in Greek and the gematria of her name adds up to ‘153’, which is typical of the Church being complete at the Rapture!
 $(10 + 7) \times 9 = 153$

10 – Numerical completeness (*base 10 of numbers*)

7 – Spiritual perfection (*the number of perfection*)

9 – The End Times (*final number in base 10*)

Brian Gemmell’s thoughts on our Ascension

Where on the Earth will this be, actually? Well, the Bible does not tell us where. But where do you think it might be? Where did the Ascension of the Lord Jesus take place? Where did the **ascension**, the **rapture**, of **Elijah** take place? Where is the centre of the world? Where is the centre of divine attention, geographically speaking?

The Bible does not say this, but I’m absolutely convinced that it is not going to be over New York, Buenos Aires or London! I believe that it is actually going to be over **Israel**, with the core of it over **Jerusalem** in particular. (*That’s centred on the Mount of Olives.*)

And I think there will be a great scurrying of the Israeli Air Force at some moment in the not-too-distant future when a large blip unexplainably, for a few seconds or minutes, appears on the radar over Israel and they dash for their F-16 aircraft, and then we will be gone!

We will go up there to meet the Lord and then **we will be gone!**
It will be too late to get us!
