A motion was made by Sapp Funderburk (Greater Greenville Laryngectomee Club) to approve the minutes of the Annual Meeting of Club Delegates held on Saturday, July 14, 2007, at the Sheraton Burlington Hotel & Conference Center, Burlington, VT. The motion was seconded by Jack Henslee, (Look Who’s Talking) and approved.

III. OFFICER’S REPORTS

A. PRESIDENT’S REPORT

The Board of Directors worked very hard this past year.

- The Board held the very first successful Internet meeting and teleconference meetings.
- A new webmaster was hired who has already made many changes.
- Thanks to Tom Herring who put together a new database which all the Board members will learn how to use.
Sapp Funderburk accepted the Treasurer’s position, and has sorted out our QuickBooks accounts and made sure all club information was posted correctly in the accounting books and on the Web site.

The IAL, through the Community Outreach Committee has been working with the Head and Neck Cancer Alliance (formally the Yul Brynner Foundation,) to work on spreading the news about the IAL and cancer awareness and screenings. Both groups hope to include all the other head and neck cancer organizations in future events.

Our four volunteers Elizabeth Finchem, John Ready, Sid Young and Ron Langseth, agreed to represent the IAL during the Stand up 2 Cancer events. This event has been orchestrated by all major news affiliates and celebrities to raise money for research. These four people will pay their own transportation and lodging.

The spouse/caregivers (“Companions” – is the name they prefer) met on Friday, August 29, 2008, and have planned several projects for their group. They are going to work on a web site just for companions, they will schedule presentations (with the help of the IAL) that they would be interested in attending, and will plan some day trips in the host city.

The Town Hall Meeting held on Thursday, August 28, 2008, was a huge success and the IAL plan to make this an annual event.

The Commons Area was a new addition to the Annual Meeting. Because of the location, downstairs away from all the activities, not many people have come in to check it out. Games were provided and coffee was served in the afternoon. We did have a puzzle that several people are working on putting together throughout the week. The IAL plans to have another Commons Area next year, but the room hopefully will be next to the vendor room and near all the activities.

The IAL and Delegates applauded the audio-visual person, David Long, who was responsible for taking care of all the audio visual requirements for both the Annual Meeting and Voice Institute.

B. VICE-PRESIDENT’S REPORT

Annual Meeting

The Annual Meeting’s first two days went well with the exception of some program room location confusion. The program was not as accurate as it needed to be, but all-in-all the event is going well. The
Voice Institute has been doing very well and many people have commented that they were pleased with the program.

There have been a few issues with the hotel that are being addressed. The primary issue was the lighting. Apparently, the hotel’s lighting system is quite complex and they did not have an onsite person to correct the problem. This was resolved, but was not completed before the AM/VI at this point.

C. TREASURER’S REPORT

Sapp Funderburk reported that the 2007 Audited Statement is not available yet.

Each Delegate was given a Financial Statement for the first six months, along with an explanation, in their Delegate’s packets. Sapp reviewed several key points on the statements during the meeting.

D. AUXILIARY REPORT

Terrie Hall, Secretary/Treasurer was unable to give an Auxiliary report at this time of the Delegates Meeting since the Auxiliary has not met at this point.

IV. STANDING COMMITTEE REPORTS

A. FINANCE COMMITTEE

The Committee meeting began at 8:10 a.m. on Tuesday, August 26, 2008 in the Lafayette Room. Members present were Sapp Funderburk, Chair; David Blevins and Tom Herring; Also present were Elizabeth Finchem, Bob Herbst, John Ready, Janice Hayes, Terrie Hall, Dr. Philip Doyle and Tina Long.

Meeting adjourned at 8:50 a.m.

B. REHABILITATION AND MEDICAL AFFAIRS

The Committee met at 9:00 a.m. in room 1930. Present were: Philip Doyle, Chair, Terrie Hall, Tom Herring, Jeff Searl, John Ready, ex-officio; Elizabeth Finchem, guest
The Committee met on Tuesday, August 26, to discuss three particular issues.

First, a discussion regarding the need to review the mandate and terms of reference for the IAL Medical Director took place. The current Medical Director is Dr. Mark Singer from San Francisco, CA. His present term is to end June 30, 2009. At this point, there are limited guidelines for the role of this position and defining the roles and responsibilities were identified as an area that would need to be explored in the near future. Philip Doyle will initially work on this task and bring information back to Committee within 60 days.

The second item to be discussed related to a review of the informational material entitled “Check the Neck”. At the Interim Meeting in March, it was decided that a review of that material was necessary to insure that terminology was correct and that, given recent advances, that the procedures to be followed for neck breathers is current and appropriate. At the March meeting, Elizabeth Finchem arranged for a copy of the DVD to be forwarded to the chair of the committee. This has been received and is currently under review by three head and neck surgeons affiliated with the chair’s institution. He is expecting feedback to be received by the end of September and that information will be brought to the Committee for discussion. After that, the Committee will work with Ron Langseth and Elizabeth Finchem to see about editing the original material with an updated version created for dissemination. Updates will be provided to the Board as necessary in the fall.

The third item to be discussed related to a recommendation by the Chair that “research” updates on laryngeal cancer, laryngectomy, and broad rehabilitation issues be considered for the web site. The general idea would be to select two important papers, ideally on a monthly basis, and then summarize them in lay language for access via the Web. It was unanimously agreed that this would be a good idea. Some of this information may also be utilized within the context of the newsletter. The process for posting these updates on the web is easy according to the new webmaster. A recommendation for inclusion of such research updates will be submitted to the Board.

As an outgrowth of the other discussions during the meeting, an additional item arose. This involved the consideration of working to improve the communication between the Rehabilitation and Medical Affairs committee and the Voice Institute. Additional, clear links and
communication lines should occur with the Public Affairs Committee. It was agreed that doing so would help to identify clear linkages between the three groups in an effort to be more comprehensive relative to the needs of the membership of the Association. All will work to achieve increasing levels of communication over the next year.

The meeting was concluded at 11:00 a.m.

C. NOMINATING

The Committee met in Room 1825 at 8:30 a.m. on Tuesday, August 26, 2008. Chair Terrie Hall presented the following slate for:

For Directors:

Elizabeth Finchem  Janice Hayes
Bob Herbst  Sheldon Shultz

Meeting Adjourned at 9:30 a.m.

D. SPEECH STANDARDS

The Committee met at 8:00 a.m. in Room 1930.

The committee met to discuss how to improve the VI process for notifying participants of their test results. Some procedural changes have been discussed and will be implemented upon the completion of the program.

The Committee is looking into having ASHA provide some kind of certification so that the SLP’s and the LT’s who meet specific criteria can be designated as having earned a certification from the VI.

The Committee is requesting that the Voice Institute Director be on the Committee.

Meeting adjourned at 9:12 a.m.
E. PUBLIC AFFAIRS

The Committee met at 3:00 p.m. in the Lafayette Room. Committee members present were: Elizabeth Finchem, Chair; Janice Hayes, Vice Chair; David Blevins, Tom Herring, Sapp Funderburk, Bob Herbst. Call to order - Roll call by sign-in sheet

REPORTS:

Janice Hayes, Club Communications

Janice explained the plans she had discussed with Tom Herring, & Ron LeClair to communicate with designated club contacts, and how to facilitate the Club Communications “Helpline”.

David Blevins, “IAL News”, Editor

David reports the “News” is costing us more than the ad revenue received. Several solutions suggested are:

- Increased advertising.
- Increased ad rates.
- Contact Batten Foundation for yearly contribution.
- Cut back to three issues per year, instead of four.
- Reduce the number of pages from 28 to 24; saving printing & postage.
- Price compare with a local printer & mailer.
- Permanent IAL address change on post cards, brochures and other items will be included in the printer estimate.

David Blevins – Has agreed to update the IAL brochure with the permanent address, updated text & fresh photos, and prepare for the printer.

David Blevins, “First Steps” - Update on significant savings on this pending project. It seems professional review of the 2nd draft produced differences of opinion which has delayed making this basic information available. He suggests since this information is needed by new laryngectomees immediately, we need to post this on the web site now instead of waiting until we can spend $8,000.00-12,000.00 on printing. The booklet can be made available by downloading until the IAL is able to print the new edition.
Tom Herring, Database Manager

Database update – Using PDF & Excel are not the best routes to take to convert the database that Tom Herring has worked on for several months to update the club information, and filter the information by state.

Tom Herring reported on web site revision work that he, Sapp Funderburk, Terrie Hall and Ron LeClair discussed to resolve the problems regarding the P.O. rural route, to “kick out” every mailing due to lack of complete change of address as currently required by the U.S. Post Office for bulk discount mailings.

Elizabeth Finchem, Web site Sub-Committee chair progress since March noted:

* Many corrections and deletions were achieved.
* Registrations forms were posted with great effort; because of late submissions and errors that required time consuming corrections.
* Restored list of Past Presidents and Honorary Life Member list
* Suggest including past meeting sites & dates, and an IAL History when edit is complete.

Ron LeClair, Webmaster

Reported on some design ideas he has come up with while currently helping to process the immediate changes we needed. He has been constructing pages and setting them aside until we are ready to make the transfer to our new web pages. Ron is making progress in steps or levels for a better foundation to build on for our databases, newsletter and moderated help list and international language translation for any country. Example: French flag to link for translation to French.

Ron advises that there is no need to scrap existing site. He is building parallel sites as he develops what we need. His visit to this year’s IAL AM/VI was designed for him to observe and interview Officers, Committee chairpersons, VI Staff, and AM attendees first hand. He has many ideas now on how to proceed in building a self-sufficient web site for us.

Tom Herring, John Ready & Ron LeClair Report
Online Board of Directors and committee meetings report improvement with Skype for chat room texting, and perhaps Skype – with webcams soon.

Sapp Funderburk

New permanent IAL address is working out well for prompt UPS mail delivery.

Bylaws update & amendments - Sapp Funderburk will submit corrected copy 2007 to Ron LeClair for web site. Also discussed were: Standing Rules update for web site. PA Committee expense items needed from Sapp Funderburk for 2008-09 PA budget. 2008-09 Regional Conference “seed money” for budgeting.

Bob Herbst, - Report as Forum Monitor

Bob Herbst updated the Board on pertinent discussion and shares open suggestions.

Ron Langseth Video/DVD Librarian

Still has inventory. Search for replacement or other options continue.

**Elizabeth Finchem**, Prohaska Medical Financial Assistance Fund Report:

- Revised documents were finally posted for 2007-08. Layered cap of $500.00 for Medical Financial Assistance, and $250.00 for Medical supplies were added.
- Terrie Hall’s address used to expedite applications.
- Updated documents to have new IAL address.
- Updated documents still need 2009 AM dates.
- Funding – 5K donation placed in general fund. The PA Committee recommended, and the BOD approved, a motion for a separate account that is interest bearing, such as a money market savings, to provide for Mrs. Prohaska’s desire to help those in need.

Note: Further Bio info for Mrs. Prohaska not located yet. She was from Southern Arizona.

Meeting adjourned at 5:00 p.m.

To define the office of Past President add:

The individual to last serve a complete term as President is the Past President. “Term” is defined as being either nominated and elected to the office of the President thereby serving a full three-year term, or two-year term if elected before 2007, or due to a vacancy in the Office the individual was next in line to follow in the order of succession and thereby acting as Interim President. It changes the term of office for the Board members elected to full terms in 2008 to three years from two and better defines the term limits. It sets the times for Board meetings and procedures for holding and changing the Interim meeting. It more clearly defines and sets procedures for holding meetings by electronic means.

During the interview, a variety of questions were posed to Dr. Searl relative to the position, his objectives if offered the position, and his impressions of strengths and weaknesses of the position. All members of the Committee posed questions to Dr. Searl on an independent basis.
A very fruitful and enlightening interview was conducted and a very frank and open discussion took place. The interview took approximately 45 minutes at which time Dr. Searl was dismissed and the Committee continued to meet.

Following dismissal of Dr. Searl from the interview, a brief discussion regarding the candidate ensued. Based on the materials submitted by Dr. Searl, as well as the information provided as part of the interview, the Committee unanimously agreed to recommend to the Board that Dr. Searl be appointed as the next Voice Institute Director for a period of three years.
