CALLING ALL COOKS

St. Paul's Community Dinners needs your help!

St. Paul's has a proud tradition of being part of the Dundas Community Dinner Program, providing a free meal and fellowship to those facing food insecurity and loneliness. We have a dedicated group of volunteers who help serve and clean up afterwards each month, but what we really need right now are more cooks who can shop for and cook the meals. Training in our kitchen is provided, as well as cooking helpers. If you volunteered for just one meal a year, it would help us a lot.
