## CHURCHES CARING FOR CREATION: AN IDEA EXCHANGE

Churches Caring for Creation: An Idea Exchange happening at St Cuthberts Church (2 Bond St N, Hamilton ) **Saturday, October 18 from 1:00pm-3:00pm.**

This gathering is designed for churches and individuals who want to explore how caring for God's creation can become a natural part of discipleship and community life.

It will be a space to:

- ♦ Hear stories and practical ideas from experienced church leaders.
- ♦ Ask questions and engage in smaller group discussions to share creation care tips, ideas, and challenges.
- ♦ Build connections with other congregations on a similar journey.

## BOOK REVIEW

### **The Lost Gospel of Judas by Herbert Krosney**

A new book donated to our library

“Riveting ...with the tenacity of a top-flight investigative reporter, Krosney pursued every facet of the discovery and reclamation of the text. With an uncanny knack for piecing together isolated data, he has provided us with the scores of details that, were it not for his efforts, would have been lost forever. - Bart D. Ehrman
