

Academic Progress Report

Fall 2025 – Spring 2026 | Office of Student Services

Definitions

Attendance:

Note: These attendance figures are based solely on Populi records. We do not have access to, nor do we maintain, any separate attendance records that individual professors may take.

100% Completion:

100% completion usually indicates that:

- All assignments, quizzes, exams, and required activities were submitted
- The course is fully finished from the student's side
- No outstanding or missing work remains
- The instructor has marked everything as completed
- Note: This can be 1 exam with 100% completion or 10 quizzes

GPA:

Note: These grades are based solely on what has been entered into Populi. We do not have access to, nor do we maintain, any grades that faculty may record in their personal files or on their own computers.
