

ELECTION DAY MAY 19

Dear <the lastname family>,

My name is Wendell Jay Purvis, and I'm running for Paulding Commission Post 2. My family has a longstanding ancestry in this beautiful county dating back generations to the mid-1800s. In fact, I have lived at the same address in Post 2 for the past 31 years; thus, I am invested in the wellbeing of the community. Paulding isn't just a place on the map – it's my roots, my heritage, and the community I'm dedicated to serve and protect.

As a former Corrections Officer and U.S. Department of Justice Senior Officer Specialist, I'm passionate about holding the line to protect our community. As a Georgia public school teacher, I believe in empowering families to build bright futures for our kids. But what really lit the fire for this race was the fight we just won together.

Recently, an out-of-town developer tried to rezone land to heavy industrial for a rock quarry along Hwy 101. Currently, the land in the area is zoned agricultural and residential. It would have blasted our peace, polluted our air and water, and wrecked our quality of life. I couldn't sit back and watch. I organized community meetings, launched a website and social media campaign, and rallied hundreds of neighbors to stand united. Through our grassroots efforts, we stopped the quarry. That victory earned me the trust of my fellow Republicans, who elected me as Paulding GOP 15th Precinct Chairman.

Based on concerns I hear from Post 2 citizens and the quarry developer's plan of their next attempt; I have decided to step up to take our voice straight to the County Commission.

As your next Post 2 Commissioner, I will:

- **STOP** overdevelopment that clogs roads, strains schools, and threatens our rural way of life
- **CUT** property taxes by seeking other sources of tax revenue to help protect hardworking Paulding families, especially our seniors
- **FULLY** fund and equip our law enforcement with the tools they need to keep us safe
- **LISTEN, REPRESENT** and be **RESPONSIVE** to concerns of the citizens of Post 2.

I believe development should respect our conservative values and rural charm, not swallow them. We need smart growth that eases traffic, creates good jobs, strengthens our schools, and makes sure our children inherit the Paulding we love.

Paulding families win when we protect what we love.

On May 19th, I'm asking for your vote so we can keep winning together. Please visit winwithwendell.com to learn more, join our team, and help spread the word.

I look forward to meeting with you personally on the campaign trail and learning how I can serve your family. Together, we'll keep Paulding strong, safe, and true to our roots.

Sincerely,

A handwritten signature in orange ink that reads "Wendell Jay Purvis".
