WENDELL PURVIS WILL KEEP OUR FAMILIES SAFE

It seems like there are new headlines daily about violent criminals putting our communities in their crosshairs. It's time for a battle-tested leader to provide the reinforcements we need.

As a former corrections officer and teacher, Wendell knows how to work with law enforcement and SROs to ensure our neighborhoods and schools are safe.

He will work to equip law enforcement with the support, training, and resources they need, and will fight every day to stop the radical agenda that wants to defund the police.

“

Let's get violent crime and street gangs out of our communities and keep our county safe for families and schools safe for our kids.”
