About Ready Corp

Global financial licensing & compliance - delivered 100% remotely

Who we are

Ready Corp is a global consultancy firm specializing in licensing, compliance, and corporate structuring for companies operating in the crypto, fintech, and financial sectors. With years of hands-on experience, our expert team has helped hundreds of businesses navigate complex regulatory landscapes - efficiently, remotely, and always with full legal clarity.

Whether you're looking to launch a VASP, establish a PSP, or register a MSB, Ready Corp provides tailored support at every stage - from incorporation and licensing to ongoing compliance and maintenance.

Our services are designed with international founders and foreign investors in mind. We understand the challenges of entering unfamiliar markets - the legal systems, regulatory differences, and cultural nuances - and we work to eliminate that friction.

Why El Salvador

A Bitcoin-first economy with compelling tax and regulatory advantages

0% crypto profit tax

0% tax on profits from crypto-related activities.

A strong advantage for global operators.

Bitcoin legal tender

Bitcoin has been legal tender since 2021.

Accelerating adoption and ecosystem growth.

Regulatory clarity

Dedicated frameworks for DASP and BSP providers.

Clearer rules and operating certainty.

Launch, bank locally, and scale across Latin America with a regulated setup.

Why a BSP License?

Operate in the world's first Bitcoin-first economy

Payment processing

Enable Bitcoin payments for merchants and users.

Remittances

Low-cost, near-instant cross-border transfers.

Bitcoin custody

Custody and safeguarding solutions.

Lightning Network

Leverage Lightning adoption for fast settlement.

Infrastructure access

- Bitcoin is legal tender.
- Operate alongside ATMs and growing BTC rails.

Local banking support is available and an EU IBAN can be arranged (case-dependent).

Why a DASP License?

Operate as a regulated Digital Asset Service Provider in El Salvador

What DASP enables

Legal framework to offer exchanges, wallets, token issuance, and tokenization.

Built around AML/CTF obligations to strengthen trust with partners and customers.

Key benefits

Clear and efficient licensing process with reduced bureaucracy.

Access to an innovation-friendly ecosystem and growing regional demand.

Additional support

Tokenization is covered. Local banking support available and EU IBAN opening can be arranged.
