St. Gregory's Air Conditioning System

An immediate capital issue for the Parish is the replacement of our Church Chiller Unit for the air conditioning. It limped through the summer and by early Fall was unrepairable. The estimate received for this work is \$110,537.00.

If you would like to make a donation to replace the chiller, please take an envelope specially marked for this cause. Envelopes are available at the doors of the church. Thank you in advance for your prayerful consideration.

Thoughts on Immigration from Pope Leo

"We ourselves need to see, and then to enable others to see, that migrants and refugees do not only represent a problem to be solved, but are brothers and sisters to be welcomed, respected and loved" --- "Someone who says I'm against abortion but I'm in agreement with the inhuman treatment of immigrants in the United States, I don't know if that's pro-life."
