

## **ARLINGTON NATIONAL CEMETERY**

Our PTSD Program is dedicated to honor six of my Flight Crew members, killed when our plane crashed on Midway Island. Three Navy Firefighters also lost their lives when our plane hit their Standby Truck. Harry was a friend I flew with in the Pacific before he was commissioned and was killed flying as a Navy F-4 RIO in Vietnam. My nephew Paul was a retired Vietnam Army veteran. He was killed in the line of duty as a Police Officer. All gave the last full measure for their country.

### **Flight Crew 35 AEWBARRONPAC**
