

Fashion Creative Lab & Academy is a strategic and operational partner for luxury fashion houses, combining executive rigour, pattern-making precision, and a modern organizational setup capable of meeting the timelines and standards of the global market. Our clients include renowned brands such as Chanel, Gucci, Yves Saint Laurent, Maison Margiela, Balenciaga, and Elisabetta Franchi. We are currently collaborating with The Row, Pierotucci and Rereri. Among the emerging brands we are proud to support, we are pleased to mention Amoroma, Maeden and Alexander Sagio.

Starting in September, we will also launch an Academy offering short, specialized masterclasses and technical workshops focused on leather goods excellence.

Our services

- Pattern Making
- Prototyping
- Cutting
- Preparation
- Assembly
- Finishing & Quality Control
- Professional Product Social Shooting & Video Production

Our company

Constantly focused on research and continuous study to refine processing methods and the final product, we develop high-end prototypes and sample collections. Production capabilities are continuously enhanced through significant annual investments in staff training and regular maintenance of modern machinery. The company features a spacious 1,000 sqm facility, conveniently located just a few minutes from the Scandicci (Florence) exit on the A1 highway.

Why Choose Us?

- **Luxury Expertise:** A proven track record of successful collaborations with leading international fashion houses as well as promising emerging brands.
- **Full-Service Partner:** From feasibility study to final product shooting.
- **Utmost Confidentiality:** Rigorous protection of design and intellectual property for every project.
- **Result-Driven:** Combining high operational integrity with a constant focus on achieving targets.

Our Core Values

- Executive Rigour
- Manufacturing Excellence
- Operational Agility
- Corporate Innovation (*oppure Organizational Evolution*)
