

OBJECTIVE	Creative and detail-oriented Interior Designer with a background in architecture, engineering, and residential design, passionate about creating functional, beautiful spaces that reflect each client's vision. Skilled in concept development, space planning, material selection, and project coordination, with a strong eye for color, composition, and detail. Brings a blend of technical precision and artistic sensitivity to every phase of the design process.	
EXPERIENCE	Owner and Lead Designer	Jan. 2023 to Present
	<i>Emerald Bee Interiors, LLC, Wylie, Texas</i>	
	- Founded and managed Residential Interior Design LLC, overseeing all aspects of business operations including marketing, client acquisition, billing, vendor relations, and administration. - Developed client design concepts through style identification, mood boards, floor plans, interior elevations, cabinetry drawings, and finish selections to communicate design intent and guide contractor collaboration. - Coordinated subcontractors, managed budgets/timelines, and provided on-site support for new construction. - Maintained vendor relationships and trade accounts to streamline procurement and secure cost-effective resources. - Designed custom casework, millwork, and moulding designs to enhance architectural detail. - Delivered niche services including custom paint treatments, decorative finishes, and textile sewing to offer highly personalized design solutions.	
	Environmental Analyst & Accounts Receivable Assistant	Aug. 2018 to Dec. 2023
	<i>Bio-Aquatic Testing, Inc., Carrollton, Texas</i>	
EDUCATION	- Collected and analyzed water samples; synthesized results for client and time-sensitive regulatory reporting. - Supported Accounts Receivable department by processing client payments, reconciling invoices, and maintaining accurate financial records.	
	Full-Time Parent & Household Manager	Dec. 2015 to Aug. 2018
	- Oversaw household operations and managed educational/developmental needs for dependents. - Continued professional growth through residential design projects and self-directed learning.	
	Environmental Consultant	Feb. 2011 to Dec. 2015
	<i>Trinity Consultants, Oakbrook Terrace, Illinois</i>
