

# Enrollment Information - Health Statement

Name of Child: \_\_\_\_\_

Child's Birthdate: \_\_\_\_\_

Since we are governed by the Texas Department of Family and Protective Services, we MUST have a health statement on file for each child in care. The DFPS defines a health statement as a written statement, from a health-care professional who has examined the child within the past year, indicating the child is able to take part in the child-care program.

-Some medical facilities automatically put a Health Statement on all vaccination records.

-Some medical facilities have their own Health Statement that they will print off, sign, and release to the parent.

-Some medical facilities prefer you (the parent) to bring **this form** to be signed.

**\*All students MUST have a Health Statement on file by his/her first day of attendance.\***

**\*Please note: the Health Statement is NOT the same as a vaccination record!\***

\*\*The Health Statement may be faxed to FUMC Preschool at  
(903)657-6144.\*\*

## **Admission Requirement**

**Doctor's Statement of Health:** I have examined the above named child within the past year and find that he / she is free of infectious and contagious diseases and is physically and mentally able to participate in the school program.
