

**HORSETHIEF PARK TRAIL:** Drive west from Colorado Springs on US Hwy 24 to Divide. Turn south (left) on CO 67. Go about 9 miles. You'll see the remains of an old tunnel facing you as you come around a curve. On the other side of this tunnel is the trail head on the left. There is no sign. You can park on either side. When the trail evens out, turn left and cross the creek into Horsethief Park. When you reach the far side of meadow, follow the faint trail into the trees. The route winds through dark forest and meadow and ends up near the Craggs. This is a moderate trail.
