How to Add a Special Offer or Coupon:

1. Login to your Member Menu and click on Manage Profile

2. Look for the Broadcasting section, if you can't find it, click the **Show Advanced Feature Settings**

3. Go to Broadcasting section and click **Coupon or Offer Creator**

4. Enter your coupon title, description but if you have a graphic coupon, you can use this instead. (make sure to check the *Full Graphic Coupon* box)

*Also, check the *Publish on Organization's Website* and *Include in Daily Deal Broadcast* to display them on your website and include in your daily deal emails.

5. Click Continue

Step 1

Step 2

Marketing Landing Page Center

≡ Main Menu   Help

Welcome to the Marketing Landing Page Center!
From here you can access all of the powerful features that are included with
your FREE web presence!

Below is a list of actions you can take to improve your site. We want our
members to succeed so we suggest expanding your reach through these
most popular networks.

Member: *Helmet Fire Productions, LLC - Williams, Keith
