Welcome

Welcome to Caring Alternatives, where comfort, independence, and compassionate care come together in a warm and welcoming environment. With three locations in Oak Creek and Muskego, we are committed to providing personalized care that supports each resident's unique physical, emotional, and social needs.

At Caring Alternatives, we believe every resident deserves to feel comfortable, respected, and cared for. Our dedicated team takes a hands-on and heartfelt approach, playing an active role in the lives of our residents while helping them maintain their independence and quality of life.

Our aging-in-place philosophy means that once a resident becomes part of our community, we make every effort to keep them comfortable and cared for through every stage of life. As their needs change, our level of care changes with them, providing the support they need along the way.

As an independently owned and operated community, we take pride in getting to know each resident and their individual needs. When additional care is needed, we also partner with trusted healthcare agencies to ensure our residents receive the comprehensive support they deserve.

At Caring Alternatives, we're more than just a place to receive care—we're a community dedicated to making each resident feel valued, comfortable, and at home. We invite you to discover the warmth, personalized care, and heartfelt approach that make Caring Alternatives a special place to call home.

Resident & Employee of the Month

Richard

Richard's favorite food is any kind of salad, and when it comes to music, any polka is sure to get him out on the dance floor! If Richard could have any superpower, he would choose the ability to find a permanent cure for diabetes.

Of the four seasons, fall is Richard's favorite. He enjoys hiking through the woods, kicking through the leaves, and hunting. Richard grew up near Chippewa Falls, Wisconsin, and one of his fondest childhood memories is working alongside his dad on their dairy farm.

Richard's advice is simple: "Be yourself." Family is very important to him. Although his wife has passed away, Richard is proud to have two wonderful daughters, four sons, and one stepson.

What Richard likes most about Creek Side Terrace is the fellow residents and staff. We are so happy to have Richard as part of our Creek Side Terrace family!

Robin

Robin has been a valued part of the Creek Side Terrace team for nine years. Her favorite part of her job is, without a doubt, her residents and the connections she has made with them over the years.

Outside of work, Robin enjoys camping, hiking, music, old movies, archery, and spending time with friends. One thing people may be surprised to learn about Robin is that she is a proud mom of five children and a grandmother to nine grandchildren!

Looking ahead 10 years, Robin hopes to be getting ready for retirement and enjoying more time doing the things she loves. We are so grateful for Robin's nine years of dedication and the care she brings to her residents each day!
