Flower – Carnation

The carnation's history dates back to ancient Greek and Roman times, when it was used in art and decor. Christian lore says that the first carnation bloomed when Mary wept for Jesus as he carried his cross.

Birthstone – Garnet

The name comes from the Latin word granatus, which means "seed-like." In the Middle Ages, garnets were carried by travelers to protect them against accidents far from home.

*"Winter came down to our home one night, Quietly
pirouetting in on silvery-toed slippers of snow, and we,
we were children once again." ~ Bill Morgan Jr.*
