

Choctaw County School District

Buy American Policy

Choctaw County School District will give preference to **U.S.-grown, U.S.-produced, and U.S.-manufactured** products when using federal or state funds.

Exceptions

Non-U.S. products may be purchased only when:

- A U.S. product is **not available** in sufficient quantity or quality.
- A U.S. product is **significantly more expensive**.
- A U.S. product **does not meet required specifications**.

Vendor Requirements

Vendors must identify the **country of origin** for all products and provide documentation for any items not produced in the United States.

District Responsibilities

CNP Managers are trained to purchase U.S.-grown foods and support local, small agricultural businesses.

The Child Nutrition Director or designee will ensure **policy compliance** and maintain all required documentation.
