Program Fee Schedule

Item	Management Fee	Rental Rate	Rush Fee	Per Mile Transit Rate	Training Fee	Late Fee Rate	Cleaning Fee
Bobcat S650 Skid Steer, and attachments	\$20	\$100 / day	\$50	\$2	\$25	\$100 / day	\$80
Attachments Only	\$20	\$20 / day	\$50	\$2	\$25	\$75 / day	\$80
Gorilla Tilt Trailer	\$20	\$50 / day	\$50	\$2	\$25	\$75 / day	\$80
S&S Livestock Trailer	\$20	\$50 / day	\$50	\$2	\$25	\$75 / day	\$80
Polar King Reefer Trailer	\$20	\$75 / day	\$50	\$2	\$25	\$75 / day	\$80
Poultry & Turkey Crates	\$20	\$10 / unit	\$10	No Transit Support	No Training Support	\$10 / day	\$10

Management Fee: All equipment has to be maintained and inspected, and kept operational in order for you to safely use it! We also have to manage the backend of request processing and scheduling.

Rush Fee: If you want to rent something three days or less from the day you submit a request.

Transit Fee: If you want something transported to your project location, rather than coming to pick it up yourself.

Rental Process

1. Explore the catalog
2. Check the program calendar for availability
3. Send in a request
4. We'll send you an invoice based on your request
5. Send us your proof of insurance, with us added as a beneficiary
6. Pay your invoice
7. We'll hold your request dates on the program calendar
8. Come pick up the equipment, or we'll bring it out to you!
9. If you need a run down on operation - we'll walk you through and give you feedback after a bit of practice
10. Start or complete your project
11. Don't forget to clean up! Remove debris, and spray off any visible dirt / feces / etc.
12. Fill up the fuel tank to the level you received it
13. Return the equipment, or we'll come and pick it up!

Pre-Rental Checklist

- You must be old enough to operate a vehicle to participate
- We require proof of insurance, with Farmers Rising added as a beneficiary
- If you're renting the skid steer - training may be required, if you don't have any previous training or experience
- If you intend to pick up a trailer, make sure your vehicle has the correct hitch type and is capable of towing it
