MONROE PUBLIC SCHOOLS
PARENT BEHAVIOR EXPECTATIONS

Parents are expected to read and acknowledge the following rules:

1. Be positive role models in athletic contests.
2. The team is the coach's responsibility, not the parents. Do not undermine the coach in the stands, be supportive of the team, coaches, and officials.
3. Do not coach from the sidelines.
4. Communicate with the coach if there is an issue. If a parent conference is desired with the coach, please do not approach him or her at the conclusion of an athletic event. Contact them the next day and set up an appointment.
5. This is a teaching league; it is not about winning or losing. The primary value of athletic participation is to provide our athletes an opportunity for self-development.
6. Respect the judgment of the officials.
7. Refrain from making negative comments about your child and other players, they are still learning.
8. Make it fun, it is only a game.

I understand that if I conduct myself in a way that does not meet with these standards and behaviors, I will be asked to leave by those in charge of the event. This may include coaches, officials, Community Education Staff, or other Monroe Public School Employee.
