### Company Summary

SIDA ENTERPRISE LLC is a General Contracting and Finish Carpentry business with over 22 years of experience in the construction industry. We specialize in high-quality kitchen and bathroom remodels, as well as Lead Abatement services. Our commitment to providing excellence and the highest-level customer satisfaction drives us to deliver innovative solutions tailored to meet the unique needs of each client.

### CORE COMPETENCIES

As certified and licensed contractors, we specialize in delivering cost-efficient kitchen and bath designs that transform your spaces with both style and functionality.

By continuously participating in educational seminars on the latest industry innovations, we bring cutting-edge solutions directly to you, ensuring that you benefit from the newest trends and technologies without the hefty price tag.

- **Lead Abatement Services:** Ensure the safety and well-being of your environment with our expert lead removal services, adhering to the highest industry standards for a healthier home.
- **Project Management:** Experience seamless renovations with our professional project management. We handle every detail from start to finish, so you can enjoy a stress-free transformation.
- **Custom Home Solutions:** Bring your unique vision to life with personalized designs and custom builds that reflect your individual style and preferences.

### Past Performances

- **Material Procurement Strategies:** We developed procurement strategies that saved Epic Realty 15% in costs, demonstrating our commitment to efficiency and cost-effectiveness.
- **Successful Lead Abatement:** We resolved a challenging lead abatement issue for Sunshine Homes that had failed two previous clearances, showcasing our expertise and determination to overcome obstacles.
- **Project Management Excellence:** As project managers of adult foster care facilities, we executed build-outs to achieve ADA compliance for Henry Inc., ensuring accessibility and adherence to all regulations.
