

# HEAVY EQUIPMENT OPERATOR

## Job Description

We are seeking a skilled Heavy Equipment Operator to join our construction team. The ideal candidate will have experience operating a variety of heavy machinery to facilitate construction projects safely and efficiently.

## Responsibilities

1. Operating heavy equipment such as excavators, loaders and skid steers
2. Conducting pre-operational checks on equipment to ensure proper functioning and safety.
3. Safely maneuvering equipment in confined spaces, around obstacles, and in varying weather conditions.
4. Reading and interpreting blueprints, plans, and specifications to understand project requirements.
5. Communicating effectively with team members to coordinate work activities and ensure project deadlines are met.
6. Adhering to all safety protocols and regulations to prevent accidents and injuries on the job site.
7. Performing routine maintenance and minor repairs on equipment to keep it in good working condition.
8. Following project schedules and instructions from supervisors to complete tasks efficiently.
9. Maintaining a clean and organized work area to promote a safe and productive work environment.
10. Demonstrating a strong commitment to quality workmanship and attention to detail.

## Requirements

1. Experience as a heavy equipment operator in the construction industry.
2. Valid commercial driver's license with a clean driving record.
3. Certification or training in heavy equipment operation preferred.
4. Knowledge of safety regulations and procedures related to heavy equipment operation.
5. Ability to work independently and as part of a team in a fast-paced environment.
6. Strong communication skills and the ability to follow instructions accurately.
7. Excellent problem-solving skills and a proactive approach to resolving issues.
8. Encon tilt rotator experience

Join our team and contribute to exciting  
construction projects in your community!
