Our Story, Our Promise

McComas Funeral Home began in 1808 by Aaron McComas, a veteran of the Revolutionary War. In recent times, the business has been continued by Howard K. McComas III, and today, by Howard K. McComas IV and Holly K. McComas. What began over 215 years ago, has evolved to now include seven generations. Family is still at the core of who we are, but our family has grown over the years to include not only the people who work with us, but also and above all, the families we serve. You've made it possible for us to continue doing what we care about every day, celebrating a life lived.

For that, you will always have our deepest gratitude.

Always consider yourself family.

Reputation Matters

THE DEATH OF A LOVED ONE IS BY FAR ONE OF THE MOST DIFFICULT TIMES IN A PERSON'S LIFE AND IT IS WISE TO MAKE CHOICES BASED ON THE QUALITY OF CARE YOU WILL RECEIVE.

1. **We are family owned**, whereas many other local providers are part of a large conglomerate and report to stockholders. We are mindful our most valuable asset is our reputation. We are blessed to be the *longest serving, family owned and operated funeral business* in the state of Maryland. Our success is best measured by the families we have served for 7 generations. Please allow us to earn your trust and confidence.
2. We offer the **finest, most modern and comfortable facilities** in the area. You are welcome to visit any of our 3 locations, by appointment, and see for yourself.
3. Consistently every year, we earn 5 star ratings for **overall satisfaction and value received** on after-service surveys as well as Google Reviews from the families we have served.
4. Our team is the very best. We have a dedicated, committed team of professionals who will help guide your family through the funeral process with **unsurpassed levels of compassion and professionalism**.
5. We are **rapid and responsive** 24 hours a day, 7 days a week, 365 days a year. We own and operate our own facilities. Others may take days to accomplish what we do in hours.
6. Our team procures **death certificates quickly**, in most cases within 7 business days from the date of death. Other companies eventually mail these to you. We choose to physically pick these documents up for you because we know how important it is to get them quickly.
7. **Fair and reasonable prices** are clearly disclosed on our General Price List.
8. **Cremation? Ask five questions:**
 - Who owns the crematory (We do!)
 - Where is it located? (50 West Broadway in Bel Air)
 - When can I visit? (Anytime with an appointment)
 - How can you assure me that you cremate responsibly? (We cremate one person at a time in our own crematory, staffed by dedicated people who have been certified by the state and adhere to ongoing training.)
 - How much time does it take to complete a cremation process? (Because we operate our own crematory, we serve you more quickly – usually within 3 business days of your authorization and the State's issuance of a death certificate.)

Planning A Tribute

PRE-ARRANGEMENT OFFERINGS

With very few exceptions, all items contained in the General Price List may be pre-arranged and pre-funded. In an effort to both prepare and inform the families we serve, McComas Family Funeral Homes encourages prearranging. Along with the peace of mind that pre-planning provides, your pre-paid plan may also be guaranteed as set forth below.

When families prepay, monies are paid to an irrevocable insurance policy which will allow the account to be guaranteed in part, so that no other monies would be required for goods and services from the funeral home at the time of death, although additional monies may be required by third parties such as cemeteries and newspapers.

We guarantee our goods and services by way of an insurance policy face amount based on the total amount of the contracted services and merchandise through our company (the "Total Funeral Price") and the age of the person at the time of prearrangement, as follows:

If the Beneficiary is 80 years of age or older, the insurance policy face amount is 110% of the Total Funeral Price; and

If the Beneficiary is less than 80 years of age, the insurance policy face amount is 115% of the Total Funeral Price.

Pre-arranging has become a key component of many estate planning portfolios. Flexible terms are available. Please ask your funeral director about the many benefits of pre-arranging your funeral services.

PAYMENT POLICY

1. Payment may be made in the form of cash, personal check, bank check, or money order. We also accept Visa, MasterCard, American Express or Discover.
2. Payment may be made by assignment of insurance proceeds if the policy is assignable; ***the policy must be validated and directly assigned to McComas Family Funeral Homes.*** For insurance assignments, we require that the insurance policies be delivered to us at the time of arrangement.
3. Outside fees/Cash advance items to Third Parties. Payments to third parties such as cemeteries, clergy, churches, organists or other third parties may be required to be made separately by the family.
4. Prepayments may have already been established for funeral arrangement. In the event that the total funding of the prepaid funeral contract has not been satisfied and/or additional charges are incurred at the time of need, the balance is required at the time of arrangements.
5. Financing on approval.

In all cases, payment in full is required at the time of arrangements, prior to scheduling of services.

FINANCING AVAILABLE

The costs associated with planning a meaningful tribute for your loved one can create stress for family members at a very difficult time. We strive to provide helpful resources throughout the entire funeral process. We are sensitive to the financial challenges that may be encountered when planning a meaningful tribute. Inquire about how financing can assist you with the planning process.

How We Recognize, Honor, and Pay Respect for Fallen Heroes

FALLEN HEROES TRIBUTE PACKAGE

Whether it was in the armed forces or through fire or law enforcement, your loved one has served, and therefore, deserves to be recognized. McComas Family Funeral Homes has been honored to work closely with all of the branches of the military as well as our police and fire department communities to pay final tribute to many fallen heroes through the years. To honor those who have served, we offer the following service package to pay tribute to the life of your loved one:

INITIAL CALL AND NOTIFICATION OF DEPARTED VETERAN

From the moment you contact our firm we will determine if your loved one was a Veteran. From the time your loved one enters our care, he or she will be treated with the utmost respect. A custom-made American flag quilt will be draped over the stretcher to transport a Veteran from the place of death into our care. The quilt provides a caring, patriotic way to honor a deceased Veteran in a proper manner.

PALLBEARER IDENTIFICATION

The pallbearers for a deceased Veteran will be identified with an American flag lapel pin. This is our gift to the pallbearers designed to be a keepsake in remembrance of their part in honoring the Veteran.

CUSTOMIZED VIDEO TRIBUTE

Through family supplied pictures/ videos we will create a memorable tribute that will be played at the visitation and service. We will give a copy for continued viewing in your home. You also have the option of having this program accessible on our website for further viewing.

SERVICE EMBLEMS

We will use magnetic service emblems on the doors of the hearse that will take your loved one to his or her place of rest. These emblems will proudly display the line of service in which your loved one has served.

WALK OF HONOR

American flags will be arranged at the cemetery creating a "Walk of Honor" leading to the graveside.

MILITARY HONORS

Upon receiving the necessary documents and authorization, the funeral home will arrange for military honors to be rendered at the proper time.
