2021 SKCMC Project Updates

1. Roundtable Conversations
2. Regional Transportation Asset Assessment
3. Minor Project Updates

1. Roundtable Conversations

Following the challenges of the previous year, SKCMC will offer opportunities for community members to network, share lessons learned, and best practices regarding SKCMC member-identified priority topics. These events will be focused on **collaborative problem-solving**, replacing the tool-kit model with adaptive **real time discussions**.

1. Community Access to Key Resources – April 30
2. Regional Advocacy - May 28

2. Transportation Assets in SKC

Measure the transportation resources available in South King County that serve the needs of community members with low income. Resources could include (but are not limited to) public transit, shuttles, commute sharing programs, or volunteer services. Coordinate with stakeholders to develop an action plan responding from the report to fill the gaps and needs found

- Preliminary data collection
- Scheduled for July through December

3. Minor Projects

- Updates to mission and vision language
 - Vision: A transportation network that allows all people to move freely around South King County, that is accessible, safe, affordable, dependable and convenient. A community connected to each other, to essential resources, and to opportunity.
- Membership engagement
 - Geographic and community diversity
 - More ways to engage
- Meeting topic schedules:
 - July 8th
 - September 9th
 - November 11th
 - Suggested Topics + Presenters
 - Transportation funding organizations
 - Port of Seattle Electrification Grant
