

## SOUTH KING COUNTY MOBILITY COALITION FISCAL YEAR 2022 WORK PLAN

### SKCMC VISION & MISSION STATEMENT

**Vision:** A transportation network that allows all people to move freely around South King County that is accessible, safe, affordable, dependable, and convenient and allows the community to be connected to each other, to essential resources, and to opportunity.

**Mission Statement:** The South King County Mobility Coalition (SKCMC) continuously identifies, and initiates coordinated, creative, sustainable ways to assist individuals, including older adults, youth, persons with disabilities, limited English speakers, Veterans, and low-income individuals in South King County reach their potential by increasing their transportation options.

### SKCMC FISCAL YEAR 2022 PRIORITIES

- Priority 1** Maintain and expand active membership of South King County Mobility Coalition partners with particular emphasis on geographical representation by offering engagement opportunities.
- Priority 2** Create opportunities for SKC cities, organizations, and residents to share resources, best practices, and problem solve to expand regional connections and cross sector collaboration.
- Priority 3** Partner with SKC cities and organizations to offer information and education opportunities for community members to learn of and access safe, accessible, and convenient transportation.

### SKCMC FISCAL YEAR 2022 WORK PLAN PROJECTS

- 1. SKCMC Roundtable Series Report – July to October 2021**  
Following the completion of SKCMC’s 3-part roundtable series to allow partners to network, share best practices, and identify gaps, the SKCMC will now produce a report to promote the lessons learned. The distribution of this report will strengthen connections with partners and promote collaborative problem-solving across sectors.
- 2. SKCMC Support of Community Transportation Navigator Project – July 2021 to June 2022**  
Develop best practices in conducting outreach to the hardest-to-reach populations by participating in the Community Transportation Navigator (CTN) project to determine the client experience of those who enroll in the program.
- 3. SKCMC Environmental Scan – April to June 2022**  
Understand the assets and needs within the South King County transportation system by convening stakeholder interviews and conducting a literature review. This project will culminate in an Environmental Scan report outlining these findings and priority projects.

Project	FY2022 Timeline			
	July-Sept	Oct – Dec	Jan - March	April - June

SKCMC Support of CTN Project				
SKCMC Environmental Scan				

### FISCAL YEAR 2022 MOBILITY EDUCATION AND OUTREACH EFFORTS

In support of the South King County Mobility Coalition’s priorities, vision, and mission the Mobility Coordinator engages in education and outreach efforts across the region. These efforts are incorporated into Coalition projects when applicable and exist independently as an effort of the Hopelink Mobility Management team. Coalition members are always welcome to partner on outreach and education efforts. In the 2022 fiscal year the South King County Coordinator will prioritize outreach opportunities that are hosted in partnership with other service providers and offer opportunities for wrap-around connections.

The outreach programming of the South King County Coordinator consists of three main programs: Travel Ambassador Trainings, Getting Around Puget Sound events, and Public Transit Orientations. These programs focus on the end-user, the community member, and making accessible the information community members need for getting to where they need to go.

More information on Mobility Education and Outreach can be found at [this webpage](#). To partner with our programming please reach out to the South King County Coordinator.
